Patent 8,710,969 B2

Before PHILLIP J. KAUFFMAN, MITCHELL G. WEATHERLY, and
ROBERT J. WEINSCHENK, *Administrative Patent Judges*.

WEINSCHENK, *Administrative Patent Judge*.

ORDER
Termination of the Proceeding
37 C.F.R. § 42.72

I. INTRODUCTION

The parties filed a Joint Motion to Terminate Proceeding. Paper 9 (“Motion” or “Mot.”). The parties also filed a true copy of a Settlement and License Agreement (“Agreement”). Ex. 1010. The Motion identifies the Agreement as business confidential information and requests that the Agreement be kept separate from the patent file. Mot. 3. For the reasons discussed below, the Motion is *granted*.

II. ANALYSIS

No oral hearing has occurred in this proceeding, and we have not made a decision on the merits. The parties indicate that they have settled their dispute regarding U.S. Patent No. 8,710,969 B2. Mot. 2. Under these circumstances, we determine that it is appropriate to terminate this proceeding. *See* 37 C.F.R. § 42.72. We also determine that it is appropriate to treat the Agreement as business confidential information to be kept separate from the patent file. *See* 37 C.F.R. § 42.74(c).

III. ORDER

In consideration of the foregoing, it is hereby:

ORDERED that the Joint Motion to Terminate Proceeding is *granted*;

FURTHER ORDERED that this proceeding is terminated as to all parties; and

FURTHER ORDERED that the request to treat the Settlement and License Agreement (Ex. 1010) as business confidential information to be kept separate from the patent file is *granted*.
