ORDER

Granting Joint Motion to Terminate Proceeding and  
Granting Joint Request to Treat Agreement as Business  
Confidential Information  
*37 C.F.R. §§ 42.72 & 42.74*

On October 7, 2016, the parties filed (1) a Joint Motion to Terminate Pursuant to 35 U.S.C. § 317 and 37 C.F.R. § 42.74 (Paper 17, “Mot.”), and (2) a Joint Request to File Settlement Agreement as Business Confidential Information and to Maintain Said Agreement Separate from the Public File Pursuant to 35 U.S.C. § 317(b) and 37 C.F.R. § 42.74(c) (Paper 18, citing Ex. 1024).

Under 35 U.S.C. § 317(a), “[a]n inter partes review instituted under this chapter shall be terminated with respect to any petitioner upon the joint request of the petitioner and patent owner, unless the Office has decided the merits of the proceeding before the request for termination is filed.” The requirement for terminating review with respect to Petitioner is met. Further under 35 U.S.C. § 317(a), “[i]f no petitioner remains in the inter partes review, the Office may terminate the review or proceed to a final written decision under section 318(a).” Petitioner is the sole petitioner in this review. The Board has discretion to terminate this review with respect to Patent Owner.

Under 35 U.S.C. § 317(b), any agreement or understanding between the Patent Owner and a Petitioner, including any collateral agreements referred to in such agreement or understanding, made in connection with, or in contemplation of, the termination of the proceeding shall be in writing, and a true copy of such agreement or understanding shall be filed in the Office. We have considered the appropriate papers, and determine that the parties have complied with the requirements of § 317(b).

In the Motion, the parties signify that “the parties have settled their dispute with respect to the ’701 patent, and have agreed to terminate this *inter partes* review.” Mot. 2. The parties further represent the following:

IPR2016-00491  
Patent 6,932,701

“[T]he *inter partes* review is not at a stage in which the Office would have a complete enough record on which to make a decision on the merits. The Patent Owner’s Response has not yet been filed.” Mot. 3.

Also in the Motion, the parties indicate that there are no other *inter partes* review proceedings for the ’701 patent currently before the U.S. Patent and Trademark Office. Mot. 4. The parties further state that their settlement agreement fully resolves all litigation and proceedings between the parties to this *inter partes* proceeding and that the parties will be filing a Stipulation and Order of Dismissal in the related district court litigation. Mot. 4.

Under these circumstances, we determine that issuing a final written decision would not be an efficient use of judicial resources, and, thus, are persuaded that it is appropriate to exercise our discretion and terminate this proceeding with respect to both Petitioner and Patent Owner without rendering any further decisions. *See* 37 C.F.R. § 42.72.
