BEFORE THE PATENT TRIAL AND APPEAL BOARD

CISCO SYSTEMS, INC.,
Petitioner

v.

UNILOC USA, INC. and UNILOC LUXEMBOURG S.A.,
Patent Owner

Case IPR2017-00058
Patent 7,805,948 B2

PETITIONER'S REQUEST FOR ORAL HEARING

In accordance with 37 C.F.R. § 42.70(a), Petitioner hereby requests an oral hearing in the present *inter partes* review. Per the Board's Scheduling Order, the oral hearing is scheduled for January 18, 2018. *See* Order, Paper 7, p. 7.

1. Request to Consolidate Cases for Oral Hearing

The schedule in this case (IPR2017-00058) is aligned with the schedule of IPR2017-00198 such that the oral hearing in both cases is set for the same date. *See* Order, Paper 7, p. 7; IPR2017-00198, Order, Paper 8, p. 7. Because of overlapping subject matter and issues in both cases, and to expedite the proceedings, Petitioner respectfully requests a *single* consolidated oral hearing, with each side having **30 minutes** to present.

2. Issues to be Presented During Oral Hearing

During the oral hearing, Petitioner requests the opportunity to present oral argument on all of the issues raised in the papers pertaining to the instituted grounds, including:

- Hamberg and Lamb render obvious “generating a conference call request responsive to a single request by the conference call requester,” through Lamb’s CALL and CONF.NOW buttons and Hamberg’s CALL ALIAS message.

- Hamberg and Lamb render obvious “automatically establishing a conference call connection to ... each of the potential targets,” through Hamberg’s description of establishing a conference call with group members who are logged into a server and participating in an instant messaging session.
- Hamberg and Lamb render obvious “presenting to said conference call requester a display showing a plurality of potential targets” through Lamb’s display of status information that can be provided on Hamberg’s mobile stations.

3. Conclusion

If the Board has any questions or comments, the undersigned attorney respectfully requests a telephone conference. No fees are believed to be required for filing this request; however, the Commissioner is authorized to charge any required fees, or credit any overpayment, to Haynes and Boone, LLP’s Deposit Account No. 08-1394.

Respectfully submitted,

December 7, 2017
