Knowledge Tools for the Information Age

SEARCH BRITANNICA: Discover the real power of Britannica through this *Natural Language* search feature. Just type in a word, question, or phrase such as, "Where do Sea Horses live? Is there a Loch Ness Monster? When is the millennium?" and let Britannica provide the answers.

COMPASS: Compass provides an interactive view of the world. Visit all 191 nations and 29 dependent states and go from a global to a local view, from geography to personality, and even further with thousands of internet links.

TIMELINES: Examine the effects of people, events, and discoveries on world cultures from the dawn of civilization to the present. Select from 14 different categories such as technology, exploration, music, medicine, and sports.

ANALYST: Unique to the Britannica CD, with Analyst you can create your own customized charts, graphs, and tables that allow statistical comparisons between nations and regions on topics such as land use, trade, communication, and more.

SPOTLIGHTS: Enjoy these unique in-depth multimedia presentations that capture moments in history and wonders in the physical world. Links to related articles in the encyclopedia enrich the learning experience.

BRITANNICA.COM: Connect to the rest of the world and visit the best Web sites as rated, reviewed, and recommended by the editors at Britannica. Check out the latest news, sports, weather, and other special features.

Research Assistant

Research Assistant will help you create brilliant assignments, reports, and presentations. Write yourself a note, attach it to an article, place bookmarks, retrace your steps, copy and print—simply and easily.

Easy Installation

Just one click and Britannica CD allows you to install just the basics with *Typical*, or avoid disc swapping altogether by selecting either *One Disc* or *Complete* during installation.

Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

Real-Time Litigation Alerts

Keep your litigation team up-to-date with **real-time alerts** and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

Advanced Docket Research

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

Analytics At Your Fingertips

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

LAW FIRMS

Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

FINANCIAL INSTITUTIONS

Litigation and bankruptcy checks for companies and debtors.

E-DISCOVERY AND LEGAL VENDORS

Sync your system to PACER to automate legal marketing.
