Patent 8,233,250 B2

Both parties request oral hearing for each of these proceedings pursuant to 37 C.F.R. § 42.70. The requests are *granted*.

Oral hearing will commence at **1:00 PM ET, on May 1, 2018**. The Board will provide a court reporter for the hearing and the reporter's transcript will constitute the official record of the hearing. As proposed by the parties, each party will have *ninety minutes* of total time to present arguments in all of the six cases. The parties may split this time between the six cases as desired. The parties are on notice that arguments presented at the consolidated hearing may not have uniform application to all listed cases. Instead, application of arguments depends on the extent to which the underlying record of each case supports the arguments. Counsel is encouraged to be clear in identifying the underlying case or cases with respect to which an argument is made.

Petitioner will open the hearing by presenting its case regarding the challenged claims for which we instituted trial and any claims proposed in Patent Owner's Motions to Amend. Patent Owner will follow. Petitioner may reserve rebuttal time.

Under 37 C.F.R. § 42.70(b), demonstrative exhibits must be served 7 business days prior to the hearing. They shall be filed at the Board prior to the hearing, and the parties must initiate a conference call with the Board by two business days prior to the hearing to resolve any dispute over the propriety of each party's demonstrative exhibits. Any dispute over the propriety of demonstrative exhibits that is not timely presented two business days prior to the hearing will be considered waived. The parties are directed to *CBS Interactive Inc. v. Helferich Patent Licensing, LLC*, IPR2013-00033,

Paper 118 (October 23, 2013), regarding the appropriate content of demonstrative exhibits. We will consider the objections and schedule a conference call if necessary. Otherwise, we will reserve ruling on the objections until the hearing. Any objection to demonstrative exhibits that is not presented timely will be considered waived.

The parties are reminded that the presenter must identify clearly and specifically each demonstrative exhibit (e.g., by slide or screen number) referenced during each hearing to ensure the clarity and accuracy of the reporter's transcript.

The Board expects lead counsel for each party to be present at oral hearing, although any backup counsel may make the actual presentation, in whole or in part. If lead counsel for either party is unable to attend the oral argument, the Board should be notified via a joint telephone conference call no later than two business days prior to the oral hearing to discuss the matter.
