Board Paralegals

The parties have settled all disputes in the PTAB, district court, and ITC and have executed a settlement agreement for the above-noted proceedings.

All of the above-noted proceedings are on remand from the Federal Circuit for Director Rehearing, so there is no current final agency decision in these cases.

Patent Owner filed a Director Rehearing Request in IPR2019-00224, -00231, -00237, -00239, -00281, -00290, -00292, -00299, -00555 on September 2, 2021, and emailed Director_PTABDecision_Review@uspto.gov and Trials@uspto.gov.

Patent Owner intends to file a Director Rehearing Request in IPR2017-00950, -00951, -00952, 01048, 01049, 01050 by October 1, 2021, and email the same addresses.

Patent Owner requests authorization from the Board to file three documents in these proceedings:

1. A Motion to Vacate the Final Written Decision and Institution Decision based on settlement between the parties
2. A Motion to Terminate the inter partes review proceedings based on settlement between the parties
3. A Motion to keep the settlement agreement confidential

Patent Owner understands the requirements for each of these motions and will comply with all Board rules and procedures for these filings.

Petitioner takes no position.

Please let us know if Patent Owner is authorized to file these motions, or if a Board call is desired to discuss the motions.

Thank you.

Best regards,

Jason Eisenberg, for Patent Owner
