On May 4, 2017, we granted a request by Patent Owner, Regents of the University of Minnesota, for authorization to file a motion to dismiss on Eleventh Amendment sovereign immunity grounds. On May 15, 2017, Patent Owner requested authorization to file a motion to suspend the deadline for filing its Preliminary Response to the Petition. In view of the pending motion to dismiss, as well as the parties' agreement concerning extension, we extend the deadline for filing of the Patent Owner Preliminary Response from June 29, 2017, to July 29, 2017. In due course, if either party has any concerns or questions regarding the schedule, the parties may contact the Board for a conference call.

Accordingly, it is

ORDERED that the deadline for Patent Owner to file its Preliminary Response is extended to July 29, 2017.
