1:00 p.m.

JUDGE DROESCH: Please be seated.

Good afternoon, everybody. We're here for an oral hearing for IPR 2017-1263, IPR 2017-1454, and IPR 2017-00580 between Petitioner Westinghouse Air Brake Technologies Corporation and Siemens Mobility.

Pursuant to our oral hearing order, I think we're going to proceed first with the 1263 IPR and in this case, each party will have 45 minutes for total argument time. Petitioner will proceed first and may reserve some of its 45 minutes for rebuttal and then Patent Owner may proceed after Petitioner is finished.

And after that, we will get to the other two IPRs and I will go through this again.

Counsel for Petitioner, please introduce yourself and everybody that's in attendance for you. And when you're ready to proceed, you may go ahead.

MR. WEED: Good afternoon, Your Honor. This is Ben Weed from K&L Gates on behalf of the Petitioner.

With me is Erik Halverson at counsel table, and sitting behind us is lead counsel, Jason Engel, and Katie Hoffee.

MR. ZAMBRZYCKI: Good afternoon, Your Honors. My name is Jacob Zambrzycki from Crowell Moring and I'm here on behalf of the Patent Owner and with me at the counsel table is Mark Supko, lead counsel Jeff Sanok, Scott Bittman, and Vince Galluzzo.

Thank you.

# Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

## Real-Time Litigation Alerts

Keep your litigation team up-to-date with **real-time alerts** and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

## Advanced Docket Research

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

## Analytics At Your Fingertips

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

## API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

## LAW FIRMS

Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

## FINANCIAL INSTITUTIONS

Litigation and bankruptcy checks for companies and debtors.

## E-DISCOVERY AND LEGAL VENDORS

Sync your system to PACER to automate legal marketing.
