1 BILL GERVASI,
2 called as a witness, having been duly sworn by a
3 Certified Shorthand Reporter, was examined and testified
4 as follows:

5
6 EXAMINATION BY MR. BANSAL

7
8 Q. Good morning, Mr. Gervasi.

9 Could you please state your name and spell it
10 for the record.

11 A. My name is Bill Gervasi, G-e-r-v-a-s-i.

12 Q. You understand you're under oath today; right,
13 Mr. Gervasi?

14 A. Yes, I do.

15 Q. Have you been deposed before, Mr. Gervasi?

16 A. Yes, I have.

17 Q. How many times?

18 A. I'm not even sure. Seven or eight maybe.

19 Q. Do you know the subject matter of the cases of
20 those depositions?

21 A. I can probably look at my notes and find what
22 they all were.

23 Q. Do you recall sitting here today?

24 A. I recall some of them. I've been -- I mean,
25 are you asking about specific cases or are you talking

1 about the material covered? I mean, I'm not exactly
2 sure what your question is.

3 Q. Yeah. I think you can start with the cases and
4 then what the subject matter of each of those cases was.

5 A. Let's see. Most recently -- I'm sorry. I'd
6 have to look at my notes, but I worked on various cases
7 such as ITC case with Nanya and Tessera in defense of
8 the plaintiffs.

9 Let's see. There was Samsung -- there was a
10 couple of cases with Round Rock. There was Round Rock
11 and SanDisk. There was Round Rock and somebody else.
12 The names don't come to me. I'm sorry. I can't be more
13 explicit, but I can look them up if you would hand me my
14 résumé there. I think I have them listed.

15 MR. BANSAL: I want to hand the witness what
16 has been previously been marked as Exhibit 2002.

17 BY MR. BANSAL:

18 Q. Mr. Gervasi, what is this?

19 A. This is my CV.

20 Q. Is this accurate as of today?

21 A. Yeah. I think it looks accurate, up-to-date.

22 Q. Does your CV refresh your memory regarding the
23 cases you worked on and what the subject matter was of
24 those cases?

25 A. Sure does. Exactly what I needed.

Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

Real-Time Litigation Alerts

Keep your litigation team up-to-date with **real-time alerts** and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

Advanced Docket Research

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

Analytics At Your Fingertips

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

LAW FIRMS

Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

FINANCIAL INSTITUTIONS

Litigation and bankruptcy checks for companies and debtors.

E-DISCOVERY AND LEGAL VENDORS

Sync your system to PACER to automate legal marketing.
