2 JUDGE MAJORS: Good afternoon. We're here today for an  
3 oral hearing in IPR 2017-01598, 01599, and 01603. Here Judge Majors, and  
4 with me Judges Mitchell and Pollock. Counsel for Petitioner, will you  
5 please introduce yourselves for the record?

6 MR. LARSEN: Yes, my name is Andrew Larsen, lead counsel  
7 for Petitioner, Nuevolution.

8 MR. SORENSON: Good afternoon. My name is Chris  
9 Sorenson, backup counsel for Petitioner, Nuevolution.

10 JUDGE MAJORS: Nice to meet you finally. We've talked  
11 several times on the phone, I know.

12 MR. LARSEN: Yes.

13 JUDGE MAJORS: I'll just briefly mention that there was an  
14 exchange of correspondence and orders from last week, and just for  
15 purposes of the record, Patent Owner has elected to cede its time for oral  
16 hearing today and further has elected not to appear for the oral hearing. So  
17 absent anything unusual happening, the Patent Owner is not making an  
18 appearance today.

19 So, Counsel, we're familiar with the record. We're going to  
20 give you 60 minutes' time. I'm not sure rebuttal time is going to be  
21 necessary today. And you may begin your presentation when ready.

22 MR. LARSEN: Okay, thank you, Your Honor. Just one point  
23 of note, we did prepare more of a consolidated presentation of the  
24 demonstratives that we shared with you last week. And we've presented that

Case IPR2017-01598 (Patent 8,168,381 B2)

Case IPR2017-01599 (Patent 8,168,381 B2)

Case IPR2017-01603 (Patent 8,951,728 B2)

1 as our oral argument presentation, and just ask if you'd like -- each like a  
2 copy of what will be the final presentation, which removes some of the  
3 demonstrative slides that we shared with you previously.

4 JUDGE MAJORS: So this is just a truncated version of the one  
5 that was sent around last week?

6 MR. LARSEN: Yes, primarily.

7 JUDGE MAJORS: Have you sent a copy to Patent Owner's  
8 counsel?

9 MR. LARSEN: No, we have not.

10 JUDGE MAJORS: Yeah, you can go ahead and present it, but  
11 I would -- you need to send that to Patent Owner's counsel, and we'll accept  
12 your representation that it's the same but a shortened number of slides, no  
13 further changes to the content.

14 MR. LARSEN: Okay. Yes, Your Honor, there's just one slide  
15 in the beginning that presents the invalidity grounds in each proceeding, just  
16 as part of our opening statement, but the rest of the content is identical, just  
17 removing some of the demonstrative slides.

18 JUDGE MAJORS: Okay, you can proceed.

19 MR. LARSEN: Okay. Would you like a copy, or just reserve  
20 that?

21 JUDGE MAJORS: You can send a copy to the trials email.

22 MR. LARSEN: Sure.

23 JUDGE MAJORS: And we'll see it here today.

24 MR. LARSEN: Okay, thank you.

25 JUDGE MAJORS: Would you like a hard copy?

Case IPR2017-01598 (Patent 8,168,381 B2)

Case IPR2017-01599 (Patent 8,168,381 B2)

Case IPR2017-01603 (Patent 8,951,728 B2)

1 JUDGE MITCHELL: I would. Sorry, I like a hard copy.

2 JUDGE MAJORS: Okay.

3 JUDGE MITCHELL: I'm old school.

4 JUDGE MAJORS: Change of plan.

5 JUDGE POLLOCK: I'll take a copy, please.

6 JUDGE MAJORS: Do you have hard copies for each of us?

7 MR. LARSEN: Yes.

8 JUDGE MAJORS: Okay.

9 MR. LARSEN: And we will send an email with a copy to  
10 opposing counsel right after this hearing.

11 JUDGE MAJORS: Okay.

12 MR. LARSEN: All right, thank you, Judge Majors, Judge  
13 Mitchell, and Judge Pollock. My name, as I said earlier, is Andrew Larsen,  
14 and I am lead counsel for Petitioner, Nuevolution, in these three inter parte  
15 review proceedings. With me today is Chris Sorenson, and we are both from  
16 the law firm of Merchant & Gould

17 As a first matter, Nuevolution would like to thank the Board for  
18 its time and attention to these proceedings. There is a voluminous record  
19 with several claims under review, and we certainly appreciate your efforts in  
20 reviewing and considering all the parties' briefings, as well as some  
21 uncharacteristically long prior art disclosures. And, of course, we thank you  
22 for granting us this oral argument, even though the Patent Owner,  
23 Chemgene, has decided not to appear today. We hope to be helpful and  
24 informative and to summarize the key issues in dispute here, and of course  
25 to answer any questions the Board may have.
