ORDER

Errata to Institution Decision Entered January 19, 2018  
*37 C.F.R. § 42.5*

During a conference call on March 22, 2018, Petitioner indicated that the Decision Instituting Review entered January 19, 2018, included an error in listing the claims that are subject to review as being anticipated by U.S. Patent Pub. No. 2008/0006625 A1 (Ex. 1003, “Borchert”). *See* Paper 9 (“Dec.” or “Decision”), 19 (listing claims 1, 2, 4 and 7 rather than claims 1, 2, 8, and 12–14). Based on our review of the Decision, we agree that it

Patent 9,079,490 B2

should have listed claims 1, 2, 8, and 12–14 as those for which *inter partes* review is instituted to determine whether Borchert anticipates those claims. With this Paper, we correct the Decision by substituting “1, 2, 8, and 12–14” for “1, 2, 4, and 7” appearing on page 19 of the Decision.
