IPR2017-01669 (Patent 6,824,110 B2)  
IPR2017-02044 (Patent 6,609,049 B1)

Oral argument was held on November 13, 2018. Because the parties may have addressed information the parties consider confidential during oral argument, a transcript recording the arguments the parties presented has been filed as a sealed document.

Our Rules for Trial Practice “aim to strike a balance between the public’s interest in maintaining a complete and understandable file history and the parties’ interest in protecting truly sensitive information.” *See* Office Patent Trial Practice Guide, 77 Fed. Reg. 48,756, 48,760 (Aug. 14, 2012). Accordingly, “[t]he record of a proceeding, including documents and things, shall be made available to the public, except as otherwise ordered.” 37 C.F.R. § 42.14.

This Order is entered concurrently with a confidential transcript of the hearing for these proceedings. If either party identifies any material in the confidential transcript that should be redacted from a public version, the parties are hereby ordered to file jointly file a proposed redacted version of the oral hearing transcript to be made public by January 18, 2019. Absent a joint filing of a proposed redacted version of the oral hearing transcript by the deadline, the confidential transcript will be made public.

#### ORDER

In consideration of the foregoing, it is: ORDERED that the parties are ordered to jointly file a proposed redacted version of the oral hearing transcript by January 18, 2019.
