ORDER  
Conduct of the Proceeding  
*37 C.F.R. § 42.5*

---

<sup>1</sup> The Petition, as filed, named “Google Inc.” as Petitioner. In a later filing, Petitioner notified the Board and Patent Owner of a change of name to “Google LLC.” Paper 6, 2.

On April 24, 2018, the Supreme Court held that a decision to institute under 35 U.S.C. § 314 may not institute on less than all claims challenged in the petition. *SAS Inst., Inc. v. Iancu*, 2018 WL 1914661, at \*10 (U.S. Apr. 24, 2018). In our Decision on Institution, we determined that Petitioner demonstrated a reasonable likelihood that it would establish that at least one of the challenged claims of the '600 patent is unpatentable. Paper 8, 2, 46. We modify our institution decision to institute on all of the challenged claims and all of the grounds presented in the Petition.

The parties shall confer to discuss the impact, if any, of this Order on the current schedule. If, after conferring, the parties wish to change the schedule or submit further briefing, the parties must, within one week of the date of this Order, request a conference call with the panel to seek authorization for such changes or briefing. If the parties do not request such a call, the parties waive any request for additional briefing on any newly instituted claims and grounds.

In consideration of the foregoing, it is hereby:

ORDERED that our institution decision is modified to include review of all challenged claims and all grounds presented in the Petition; and

FURTHER ORDERED that Petitioner and Patent Owner shall confer to determine whether they desire any changes to the schedule or any further briefing, and, if so, shall request a conference call with the panel to seek authorization for such changes or briefing within one week of the date of this Order.
