Google LLC (“Petitioner”) and SEVEN Networks, LLC (“Patent Owner”) filed a “Joint Motion to Terminate Proceeding” (Papers 30, “Joint Motion to Terminate”) and a “Joint Request to Treat Settlement Agreement as Business Confidential Information” (Papers 31) in each of the above-captioned cases (collectively “Joint Motions”).<sup>3</sup> The parties represent that they have reached settlement as evidenced by a written Settlement Agreement (Ex. 2101, “Settlement Agreement”), filing a true copy of same as required by 35 U.S.C. § 317(b) and 37 C.F.R. § 42.74(b). Paper 30.

Under 35 U.S.C. § 317(a), “[a]n inter partes review instituted under this chapter shall be terminated with respect to any petitioner upon the joint request of the petitioner and patent owner, unless the Office has decided the merits of the proceeding before the request for termination is filed.” As indicated in the Joint Motions, the parties are requesting termination prior to oral hearing and prior to the Board’s final written decision. Paper 30, 2. We also note that briefing has not been completed, as Patent Owner has not filed a Response, and Petitioner has not filed a Reply to Patent Owner’s Response.

Further, under 37 C.F.R. § 42.74(b), “[a]ny agreement or understanding between the parties made in connection with, or in contemplation of, the termination of a proceeding shall be in writing and a true copy shall be filed with the Board before termination of the trial.”

As the parties have filed their written settlement agreement, we determine it is appropriate to terminate each of these proceedings without rendering a Final Written Decision as to the patentability of challenged claims of the involved patents. *See* 37 C.F.R. §§ 42.72, 42.73, 42.74.
