ORDER

Granting Joint Motion to Expunge  
*37 C.F.R. § 42.5*

On September 26, 2018, Mylan Technologies, Inc. (“Petitioner”) and Noven Pharmaceuticals, Inc. (“Patent Owner”) filed a Joint Motion to Expunge Confidential Information. Paper 11. The parties request expungement of Exhibit 2025, which was filed under seal. *Id.* at 2.

On September 5, 2018, pursuant to 35 U.S.C. § 317(a), the parties filed a Joint Motion to Terminate this proceeding. Paper 7. In light of the parties’ settlement, we entered an order terminating the proceeding. Paper 10. We did not rely on any information in the aforementioned exhibit to dispose of any issues in this proceeding. Our review of this exhibit indicates that it contains nonpublic information.

Based on the record before us, the need to protect the confidential information in Exhibit 2025 outweighs the public interest in unsealing that exhibit. Accordingly, it is appropriate to expunge the exhibit from the record.

Accordingly, it is:

ORDERED that Exhibit 2025 be expunged from the record.
