UNITED STATES PATENT AND TRADEMARK OFFICE

BEFORE THE PATENT TRIAL AND APPEAL BOARD

SAMSUNG ELECTRONICS CO., LTD., AND SAMSUNG ELECTRONICS
AMERICA, INC.,
Petitioner,

v.

INVENSAS CORPORATION,
Patent Owner.

Case IPR2018-01265
U.S. Patent No. 6,054,336

**JOINT MOTION TO TERMINATE PROCEEDING
PURSUANT TO 35 U.S.C. § 317 AND 37 C.F.R. § 42.74**

Pursuant to 35 U.S.C. § 317(a), 37 C.F.R. § 42.74, and the Board’s December 12, 2018 correspondence, Petitioner Samsung Electronics Co., Ltd. and Samsung Electronics America, Inc. (“Petitioner”) and Patent Owner Invensas Corporation (“Patent Owner”) (collectively, “the Parties”) jointly request termination of the *inter partes* review of U.S. Patent No. 6,054,336 (“’336 patent”), Case No. IPR2018-01265.

Pursuant to 37 C.F.R. §§ 42.5 and 42.72, the Board may terminate a trial without rendering a final written decision, where appropriate, including pursuant to a joint request under 35 U.S.C. §§ 317(a) or 327(a). *See Winplus N. Am., Inc. v. Pilot, Inc.*, IPR2018-00488, Paper 12 (P.T.A.B. Oct. 24, 2018).

This proceeding is still in its preliminary stages. A Petition for *inter partes* review was filed on June 15, 2018 (Paper No. 1), and the Board has not yet issued a decision on institution. The Parties have settled their dispute and respectfully submit that termination is proper here.

The ’336 patent was the subject of a District Court action in the Eastern District of Texas, Civil Action No. 2:17-cv-00670-RWS-RSP, entitled *Invensas Corporation v. Samsung Electronics Co., Ltd. et al.*, which the parties stipulated to dismiss with prejudice. A dismissal of the Petition here would promote efficiency and minimize unnecessary costs.

Samsung and Patent Owner's parent Xperi Corporation executed a Confidential Settlement Agreement to terminate this proceeding effective December 7, 2018. This agreement was made binding on Patent Owner Invensas Corporation by Consent Letter of the same date. Both the Settlement Agreement and a Consent Letter are submitted concurrently herewith. In accordance with 35 U.S.C. § 317 and 37 C.F.R. § 42.74(b), also submitted concurrently herewith is a Joint Request that the Confidential Settlement Agreement and Consent Letter be treated as business confidential information, be kept separate from the file of the involved patent, and be made available only to the Federal Government agencies on written request, or to any person on showing of good cause under 35 U.S.C. § 317 and 37 C.F.R. § 42.74(c). True and correct copies of the Settlement Agreement and Consent Letter are submitted with that Request as Confidential Exhibits 1012 and 1013.

Petitioner and Patent Owner certify that there are no other agreements, oral or written, between the parties made in connection with, or in contemplation of, the termination of the proceeding. Both Petitioner and Patent Owner support termination of the proceeding.

CONCLUSION

For the foregoing reasons, Petitioner and Patent Owner jointly request that the Board dismiss this proceeding in its entirety.

Respectfully submitted,

Dated: December 13, 2018

Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

Real-Time Litigation Alerts

Keep your litigation team up-to-date with **real-time alerts** and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

Advanced Docket Research

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

Analytics At Your Fingertips

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

LAW FIRMS

Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

FINANCIAL INSTITUTIONS

Litigation and bankruptcy checks for companies and debtors.

E-DISCOVERY AND LEGAL VENDORS

Sync your system to PACER to automate legal marketing.
