1   BILL LIN, PH.D., AFTER BEING FIRST DULY SWORN,

2   WAS EXAMINED AND DEPOSED AS FOLLOWS:

3

4   EXAMINATION

5

6   BY MR. NIGHTINGALE:

7   Q.   Good morning, Dr. Lin.

8   A.   Good morning.

9   Q.   Dr. Lin, could you please state your name

10   for the record?

11   A.   My name is Bill Lin.

12   Q.   Dr. Lin, what is your home address?

13   A.   1005 Valley Side Lane, Encinitas,

14   California 92024.

15   Q.   Thank you.

16   What is your work address?

17   A.   My work address is 9500 Gilman Drive,

18   La Jolla, California 92093.

19   Q.   Dr. Lin, you've had your deposition taken

20   before; is that correct?

21   A.   Yes.

22   Q.   Do you know how many times you've been

23   deposed?

24   A.   Off the top of my head, I'm not 100 percent

25   sure. Maybe about eight times, around that; eight,

1   nine times.

2   Q.   So you know the drill.

3   I'm going to be asking you a series of questions

4   today. Because we're taking your deposition remotely,

5   it is important that we don't talk over each other so

6   that the court reporter can accurately record your

7   testimony. So today, if you wouldn't mind, please let

8   me finish my questions before answering, and I'll try

9   to make sure that I don't interrupt or speak over you.

10   Does that sound fair?

11   A.   Yes.

12   Q.   Dr. Lin, you understand that the testimony

13   you are providing today is under oath, correct?

14   A.   Yes.

15   Q.   Is there anything that would prevent you

16   from giving truthful and accurate testimony today?

17   A.   No.

18   Q.   Today we are discussing the inter partes

19   review proceeding for U.S. Patent Number 8,838,949.

20   And I am uploading a document with the file name "'949

21   patent.PDF." Just give me a second.

22   Dr. Lin, if you could please download the document

23   that I uploaded, this document bears the label Intel

24   1001.

25   A.   I have a clean copy, if that's okay.

DOCKET ALARM

Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

Real-Time Litigation Alerts

Keep your litigation team up-to-date with **real-time alerts** and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

Advanced Docket Research

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

Analytics At Your Fingertips

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

LAW FIRMS
Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

FINANCIAL INSTITUTIONS
Litigation and bankruptcy checks for companies and debtors.

E-DISCOVERY AND LEGAL VENDORS
Sync your system to PACER to automate legal marketing.

fastcase
Smarter legal research.
