REVISED SCHEDULING ORDER

IPR2018-01494
Patent 8,921,348 B2

On February 15, 2019, the Board instituted *inter partes* review of the challenged claims of U.S. Patent No. 8,921,348 B2 and entered a Scheduling Order setting Due Date 7 for November 14, 2019. Paper 12, 8. On April 22, 2019, the Board issued a Panel Change Order replacing Administrative Patent Judge Christopher G. Paulraj with Administrative Patent Judge Tina E. Hulse. Paper 22. Due to scheduling issues that have arisen in light of the panel change, the Board exercises its authority and revises Due Date 7 to November 19, 2019. All other due dates remain the same.

The parties may request a conference call with the Board if the revised date for Due Date 7 raises any concerns for either party.
