**EXHIBIT 1030 VIDEO FILE FOR PRIME’S PETITION FOR *INTER
PARTES* REVIEW OF U.S. PATENT NO. 9,320,122
UNDER 35 U.S.C. §§311-319 AND 37 C.F.R. 42.100 *et seq.***

PRIME Wire & Cable, Inc. (hereinafter “PRIME”) submitted its petition for *Inter Partes* Review of U.S. Patent No. 9,320,122 under 35 U.S.C. §§ 311-319 and 37 C.F.R. 42.100 *et seq.* on Aug. 27, 2018. At the time of submission, the video file that defines Ex. 1030 failed to upload and as a result was not included in documents submitted and served on Respondents CANTIGNY Lighting Control, LLC and JASCO Products, Inc. Additionally, a printout of an email that was referenced to be included with Ex. 1057 failed to attach to the uploaded exhibit and as a result was also not included in the documents submitted and served on

Respondents. That video file defining Ex. 1030 and the email printout referenced by Ex. 1057 is also now being uploaded and served on respondent. A filing date has not yet been accorded for PRIME's petition and PRIME is not up against any 1 year filing bars for at least six months. So, PRIME respectfully requests that its petition be accorded the filing date of the submission for Ex. 1030 and the inadvertently omitted part of Ex. 1057.

Respectfully submitted,

Dated: September 4, 2018
