Subject: IPR2019-01196 - Request for Reply to POPR

Dear Honorable Board,

On October 11, 2019, the Patent Owner filed a Patent Owner Preliminary Response for IPR2019-01196. The Petitioner, Intel Corp., requests authorization to file a short Reply to address Patent Owner's argument that the Board should exercise its discretion under 35 USC 314(a) to deny institution based on the current state of the district court litigation.

The Petitioner requests a 5 page Reply, due 10 days after an Order granting Petitioner a Reply. The Patent Owner opposes the Petitioner's request for a Reply. The parties are available for a conference call (1) between 1:30 pm and 3:00 pm ET on Thursday October 24, (2) between 11:30 am and 2:00 pm ET on Friday October 25, and (3) after 11:30 am ET on Tuesday October 29.

Respectfully,
Daniel Williams

Counsel for Petitioner
