ORDER
Conduct of the Proceeding
37 C.F.R. § 42.5

IPR2020-00403
Patent 6,415,284

On October 1, 2020, the Board issued an Order (Paper 10) directing the parties to submit their requests for oral argument, if any, by October 22, 2020 (DUE DATE 4). On October 22, FedEx Corporation (“Petitioner”) filed a contingent request for oral argument, in which Petitioner “*contingently* requests oral argument only if: (a) Patent Owner requests oral argument, and (b) the Board grants Patent Owner’s request under the circumstances.” Paper 13, 2. Flectere LLC (“Patent Owner”) has not filed a request for oral argument. Under these circumstances, we cancel oral argument in this case (tentatively scheduled for March 30, 2021). *See* Papers 9, 10.

In addition, as explained in our October 1, 2020, Order (Paper 10), based on the parties’ actions (or inactions) to date in this case, there is no present basis for additional briefing relating to the Petition (Paper 1), for briefing relating to amendment of the challenged patent (U.S. Patent No. 6,415,284 B1), or for briefing relating to motions to exclude evidence.

Accordingly, this case shall advance to final written decision on the present record under 35 U.S.C. § 318(a).

It is SO ORDERED.
