1   (Counsel agree to remote swearing

2   of witness.)

3 DARRELL LONG,

4   called as a witness by the parties,

5   having been duly sworn, testified as follows:

6 EXAMINATION BY

7 MR. O'BRIEN:

8   Q.   Dr. Long, could you please state your

9 full name for the record.

10   A.   Excuse me, just a second. I'm having

11 a little bit of video problems. I'm not sure why

12 the monitor just went black.

13   Darrell Don Earl Long.

14   MR. O'BRIEN: Why don't we go off the

15   record for a minute until the technical

16   issues are resolved.

17   (Pause)

18   A.   Darrell Don Earl Long, to answer your

19 question.

20   Q.   And you understand that you are under

21 oath today?

22   A.   I do.

1   Q.   Is there any reason you cannot give

2   truthful and complete testimony today?

3   A.   No.

4   Q.   I understand you've been deposed

5   before. How many times?

6   A.   I don't know. I'd have to count.

7   Let's -- more than a dozen.

8   Q.   OK. I know this is not your first

9   deposition, but it's always good to go over some

10 ground rules, especially since we are remote.

11   Please provide verbal answers and

12 let's try not to speak over each other. That way

13 we can have a clear transcript.

14   If you don't understand a

15 question, please let me know and I'm happy to

16 clarify.

17   I'll try to take a break every

18 hour or so, but if you need a break, please let me

19 know. The only thing that I ask is that you

20 complete any pending question before a break.

21   A.   Sounds good.

22   Q.   And you are represented today by

DOCKET ALARM

Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

Real-Time Litigation Alerts

Keep your litigation team up-to-date with **real-time alerts** and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

Advanced Docket Research

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

Analytics At Your Fingertips

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

LAW FIRMS
Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

FINANCIAL INSTITUTIONS
Litigation and bankruptcy checks for companies and debtors.

E-DISCOVERY AND LEGAL VENDORS
Sync your system to PACER to automate legal marketing.
