On January 15, 2021, pursuant to the Board’s authorization, Juniper Networks, Inc. (“Petitioner”) and Implicit, LLC (“Patent Owner”) filed a joint motion in each of the cases<sup>3</sup> to terminate each of the instant *inter partes* reviews pursuant to 35 U.S.C. § 317(a) and 37 C.F.R. § 42.72. Paper 22 (“Joint Motion” or “Mot.”).<sup>4</sup> The Joint Motion was accompanied by a true, unredacted copy of a Settlement Agreement (Exhibit 2016). The parties also request that the Settlement Agreement be treated as business confidential information, to be kept separate from the patent file, pursuant to 35 U.S.C. § 317(b) and 37 C.F.R. § 42.74(c). Mot. 3.

In its Joint Motion, the parties jointly request termination of the proceedings. Mot. 1. The parties state that they have settled their disputes regarding the challenged patents and filed a stipulation of dismissal on January 4, 2021 in the parallel litigation. *Id.* at 2. The parties state that “[g]iven the early stages of this proceeding, the Parties submit it is appropriate to terminate review under Section 317(a) and not proceed to a final written decision.” *Id.* at 3.

The Board generally expects that “a proceeding will terminate after the filing of a settlement agreement, unless the Board has already decided

the merits.” Consolidated Trial Practice Guide, 86 (Nov. 2019),  
<https://go.usa.gov/xpvPF>; *see also* 35 U.S.C. § 327; 37 C.F.R. § 42.72.

Here, although the Board has instituted *inter partes* review of the challenged patents, the Board has not decided the merits of the proceeding. Under these circumstances, therefore, we determine that it is appropriate to terminate this proceeding with respect to both Petitioner and Patent Owner. Accordingly, we grant the parties’ Joint Motions to terminate.

We also determine that the parties have complied with the requirements of 37 C.F.R. § 42.74(c) to have the Settlement Agreement treated as business confidential information and kept separate from the files of the challenged patents in these proceedings. Thus, we grant the parties’ request to treat the Settlement Agreement as business confidential.

Accordingly, it is

ORDERED that the Joint Motions to terminate the instant proceedings are GRANTED;

FURTHER ORDERED that the joint request to treat the parties’ Settlement Agreement (IPR2020-00585, Exhibit 2016; IPR2020-00586, Exhibit 2015; IPR2020-00587, Exhibit 2015; IPR2020-00590, Exhibit 2015; IPR2020-00591, Exhibit 2015; IPR2020-00592, Exhibit 2015) as business confidential information, to be kept separate from the patent file, is GRANTED; and

FURTHER ORDERED that the instant proceedings are TERMINATED.
