ORDER

Expunging Documents and Permitting Filing of Corrected Documents
37 C.F.R. § 42.5

IPR2020-00825
Patent 10,274,266 B2

On January 12, 2021, Patent Owner contacted the Board via email asking permission to file corrected versions of its Patent Owner Response (Paper 21) and the supporting declaration (Exhibit 2038). In its email, Patent Owner represented as follows:

Petitioner does not oppose this request.

Counsel for Patent Owner experienced technical difficulties while finalizing the filing for those papers. In the early hours of January 12, 2021, counsel for Patent Owner served corrected versions of the Response and Declaration upon Petitioner's counsel.

The corrected versions of the Response and Declaration are signed, and correct citations and three figures that were corrupted during conversion of the documents. The three figures are on pp. 18, 45, 64 of the Corrected Patent Owner Response and ¶¶ 100, 137, and 144 of Dr. Pokharna's Corrected Declaration. Otherwise, no substantive changes were made.

In view of the above representations, Patent Owner's request is granted.

Accordingly, it is hereby:

ORDERED that Paper 21 and Exhibit 2038 are expunged; and

FURTHER ORDERED that Patent Owner file corrected versions of its Patent Owner Response and the supporting declaration within three business days of entry of this order.
