| 3  | JUDGE CHAGNON: This is the final hearing in three IPRs           |
| 4  | between Petitioner Sotera Wireless, Inc., and Patent Owner       |
| 5  | Masimo Corporation. For the record the IPR numbers are           |
| 6  | IPR2020-00967 for U.S. patent No. RE47,244, and IPR 2020-        |
| 7  | 01019 for U.S. patent No. RE47,353 and IPR 2020-01033 for        |
| 8  | U.S. patent No. RE 47,249. Counsel, let's go ahead and make      |
| 9  | our appearances for the record and let us know who'll be         |
| 10 | presenting today and we'll start with Petitioner.                |
| 11 | MR. TELSCHER: Rudy Telscher, Your Honor, with the                |
| 12 | law firm of Husch Blackwell on behalf of Petitioner Sotera.      |
| 13 | Also with me who I don't anticipate speaking is Daisy Manning    |
| 14 | but if something unique would arise I might ask her to speak but |
| 15 | I think that's unlikely, but she is with me in the room.         |
| 16 | JUDGE CHAGNON: Great. Thank you. And for Patent                  |
| 17 | Owner.                                                           |
| 18 | MR. LARSON: Good morning, Your Honor. This is Steve              |
| 19 | Larson of Knobbe Martens for Patent Owner Masimo. With me        |
| 20 | is Jacob Peterson but I'll be presenting arguments on behalf of  |
| 21 | Masimo today.                                                    |
| 22 | JUDGE CHAGNON: Thank you so much. We'd just like to              |
| 23 | thank everybody for your flexibility in joining us remotely      |
| 24 | today. I just want to go over a few reminders before we get      |

- 1 started. Our primary concern of course is your right to be heard
- 2 so if at any time during the proceeding you encounter any
- 3 technical or other difficulties that fundamentally undermine your
- 4 ability to adequately represent your client please let us know
- 5 immediately and adjustments will be made. Please also be sure
- 6 to keep yourself muted when you are not speaking so that we can
- 7 avoid as much background noise as possible. Please also
- 8 identify who is speaking for the benefit of the court reporter and
- 9 keep in mind that there may be a bit of an audio lag so try to
- 10 observe a pause prior to speaking to avoid speaking over others.
- 11 So everyone is aware I believe we do have members of the public
- 12 that are listening today. If there's any concerns about
- 13 confidential information please let us know right away.
- Per our order of July 28th, each party was going to have 60
- 15 minutes of total time to present arguments today. We will have a
- single transcript for the hearing and it will be entered into the
- 17 record in each proceeding. As a reminder however, any
- 18 argument or evidence presented will only be considered in
- 19 proceedings for which that argument or evidence has a proper
- 20 foundation in the record. If you are presenting arguments today
- 21 applicable to only one of the proceedings it would be helpful to
- 22 us if you would identify that during your presentations.
- 23 Petitioner will argue first today and may reserve up to 30
- 24 minutes of time for rebuttal. Patent Owner will the have the

- 1 opportunity to respond to Petitioner's arguments and may also
- 2 reserve up to 30 minutes for surrebuttal time. Petitioner may
- 3 then use any reserved time to respond to arguments made during
- 4 Patent Owner's presentation and finally Patent Owner may use
- 5 any reserved time for responding to arguments made during
- 6 Petitioner's rebuttal time. We do have copies of your
- 7 demonstratives available to us so during your presentations
- 8 please remember to identify the demonstrative exhibit being
- 9 referenced clearly and specifically, for example by slide or
- 10 screen number. This will help us follow along and ensure clarity
- 11 and accuracy of the transcript. At the end of the hearing I do ask
- 12 that counsel for both parties stay on the line in case the court
- 13 reporter has any questions for you all. Then, last reminder
- 14 please refrain from interrupting the opposing party during their
- 15 presentation. If you do have any objections you can address
- 16 those during your own time for presentation. So Petitioner,
- would you like to reserve time for rebuttal today?
- MR. TELSCHER: Yes, Your Honor, 15 minutes.
- 19 JUDGE CHAGNON: Fifteen minutes. Patent Owner, do
- 20 you know right now how much time you would like to reserve?
- MR. LARSON: Yes. I expect to reserve 15 minutes as
- 22 well.
- JUDGE CHAGNON: All right. Great. And I will be
- 24 keeping time here. Mr. Telscher, would you like a five minute
