Subject:	May 2021 Trial Setting and Jury Selection

Counsel:

The Court has instructed me to advise you that for the May 2021 trial settings, the order of trials will be as follows:

(1) *GREE Inc. v. Supercell Oy* (2:19-cv-200, 237, 310, 311)
(2) *Acorn Semi, LLC v. Samsung Electronics Co.* (2:19-cv-347)
(3) *Gaines v. Central Freight Lines, Inc.* (2:20-cv-032)
(4) *Team Worldwide Corporation v. Academy, LTD* (2:19-cv-092)

Jury selection will begin on **Friday, April 30, 2021**. On that day, the Court will empanel **two juries**, the first for *GREE Inc. v. Supercell Oy* and the second for *Acorn Semi, LLC v. Samsung Electronics Co*. The *Gree* jury will be selected first and then the *Acorn* jury will be selected. The Court does not anticipate actually beginning the trial for *GREE Inc. v. Supercell Oy* until the following **Monday, May 3, 2021**. The second trial in May will begin on May 13.

As a precaution, a second venire panel will be summonsed for **Thursday, May 13, 2021** in case the parties in *Acorn Semi, LLC v. Samsung Electronics Co.* resolve their disputes before their trial begins. If needed, the Court will empanel a new jury on that day, and if not needed (using the jury selected on April 30th) the backup venire panel summoned for May 13 will be dismissed. Should *Acorn Semi, LLC v. Samsung Electronics Co*. settle between April 30 and May 13, then a new jury will be selected, sworn and seated on May 13 for trial to begin immediately in *Gaines v. Central Freight Lines, Inc.* If *Gaines* should settle before May 13, then the same process will occur as to *Team Worldwide*.

If you have questions, please advise and I will relay your questions to the Court. Please be sure the above information is shared with all members of your trial team and support staff.

Best,

Thomas J. Derbish
Law Clerk to Chief Judge Rodney Gilstrap
U.S. District Court for the Eastern District of Texas
