ORDER
Setting Oral Argument
37 C.F.R. § 42.70

I. ORAL ARGUMENT

A. Time and Format

The scheduling order for this proceeding provided that an oral argument would be conducted on February 7, 2023, if requested by the parties and granted by the Board. Under 37 C.F.R. § 42.70(a), both parties requested oral argument in this case. Papers 22, 23. Petitioner requested that oral argument be conducted by video. Paper 23. The parties' requests for oral argument are granted.

Oral arguments will commence at 10:00 AM Eastern Time on Tuesday, February 7, 2023, by video.¹ The Board will provide a court reporter for the hearing, and the reporter's transcript will constitute the official record of the hearing.

Petitioner will have a total of sixty (60) minutes to present argument in this case and Patent Owner will have a total of sixty (60) minutes to respond. Petitioner will open the hearing by presenting its case regarding the challenged claims for which the Board instituted trial. Thereafter, Patent Owner will respond to Petitioner's argument. Petitioner may reserve rebuttal time to respond to arguments presented by Patent Owner. In accordance with the Consolidated Trial Practice Guide² ("CTPG"), issued in November 2019, Patent Owner may request to reserve time for a brief sur-rebuttal. *See* CTPG 83.

¹ If there are any concerns about disclosing confidential information, the parties must contact the Board at Trials@uspto.gov at least ten (10) business days before the hearing date.

² Available at <https://www.uspto.gov/TrialPracticeGuideConsolidated>.

The parties may request a pre-hearing conference in advance of the hearing. *See id.* at 82. “The purpose of the pre-hearing conference is to afford the parties the opportunity to preview (but not argue) the issues to be discussed at the hearing, and to seek the Board’s guidance as to particular issues that the panel would like addressed by the parties.” *Id.* If either party desires a pre-hearing conference, the parties should jointly contact the Board at Trials@uspto.gov at least seven (7) business days before the hearing date to request a conference call for that purpose.

B. Demonstratives

As set forth in 37 C.F.R. § 42.70(b), demonstratives shall be served on opposing counsel at least seven (7) business days before the hearing date. The parties also shall file a copy of any demonstratives as an exhibit in the trial record at least three (3) business days before the hearing.

Demonstratives are not a mechanism for making new arguments. Demonstratives also are not evidence, and will not be relied upon as evidence. Rather, demonstratives are visual aids to a party’s oral presentation regarding arguments and evidence previously presented and discussed in the papers. Accordingly, demonstratives shall be clearly marked with the words “DEMONSTRATIVE EXHIBIT – NOT EVIDENCE” in the footer. *See Dell Inc. v. Accelaron, LLC*, 884 F.3d 1364, 1369 (Fed. Cir. 2018) (holding that the Board is obligated under its own regulations to dismiss untimely argument “raised for the first time during oral argument”). “[N]o new evidence may be presented at the oral argument.” CTPG 85; *see also St. Jude Med., Cardiology Div., Inc. v. The Bd. of Regents of the Univ. of Mich.*, IPR2013-00041, Paper 65, 2–3 (PTAB

Jan. 27, 2014) (explaining that “new” evidence includes evidence already of record but not previously discussed in any paper of record).

Furthermore, because of the strict prohibition against the presentation of new evidence or arguments at a hearing, it is strongly recommended that each demonstrative include a citation to a paper in the record, which allows the Board to easily ascertain whether a given demonstrative contains “new” argument or evidence or, instead, contains only that which is developed in the existing record.

Due to the nature of the Board’s consideration of demonstratives and the opportunity afforded for the parties to reach an agreement without involving the Board, the Board does not anticipate that objections to demonstratives are likely to be sustained. Nevertheless, to the extent that a party objects to the propriety of any demonstrative, the parties shall meet and confer in good faith to resolve any objections to demonstratives prior to filing the objections with the Board. If such objections cannot be resolved, the parties may file any objections to demonstratives with the Board no later than one day before the hearing. The objections shall identify with particularity which portions of the demonstratives are subject to objection (and should include a copy of the objected-to portions) and include a one (1) sentence statement of the reason for each objection. No argument or further explanation is permitted. The Board will consider any objections, and may reserve ruling on the objections. Any objection to demonstratives that is not timely presented will be considered waived.

Finally, the parties are reminded that each presenter should identify clearly and specifically each paper (e.g., by slide or screen number for a demonstrative) referenced during the hearing to ensure the clarity and

accuracy of the court reporter's transcript and for the benefit of all participants appearing electronically.

C. Presenting Counsel

The Board generally expects lead counsel for each party to be present at the hearing. *See* CTPG 11. Any counsel of record may present the party's argument as long as that counsel is present by video.

D. Video or Telephonic Hearing Details

To facilitate planning, each party must contact the Board at PTABHearings@uspto.gov at least five (5) business days prior to the hearing date to receive video set-up information. As a reminder, all arrangements and the expenses involved with appearing by video, such as the selection of the facility from which a party will attend by video, must be borne by that party. If a video connection cannot be established, the parties will be provided with dial-in connection information, and the hearing will be conducted telephonically.

If one or both parties would prefer to participate in the hearing telephonically, they must contact the Board at PTABHearings@uspto.gov at least five (5) business days prior to the hearing date to receive dial-in connection information.

Counsel should unmute only when speaking. The panel will have access to all papers filed with the Board, including demonstratives. During the hearing, the parties are reminded to identify clearly and specifically each paper referenced (e.g., by slide or screen number for a demonstrative) to ensure the clarity and accuracy of the court reporter's transcript and for the benefit of all participants appearing electronically. In addition, the parties are advised to identify themselves each time they speak. Furthermore, the
