Dear Mr. Kellogg:

Patent Owner and Petitioner conferred and jointly:

1. confirm that Paper 5 in each IPR is the complete and correct copy of the POPR (along with the Exhibits bearing a 3/9 filing date in each docket);
2. request the "Paper Type" for Paper 5 be updated to "Preliminary Response"; and
3. request that Paper 6 in each IPR be expunged.

Please let the parties know if the Board has any questions or requires anything further.

Respectfully submitted,

/Brian R. Landry/

Counsel,

Patent Owner filed two copies of its Preliminary Response in IPR2022-00129, 00131 (*see* Papers 5, 6). One copy (*see* Paper 6) improperly includes exhibits attached to the Preliminary Response. The panel requests that the parties meet and confer and submit a joint email indicating whether Paper 5 is a complete and correct copy of the Preliminary Response and whether Paper 6 can be expunged from the record.
