Honorable Board,

Patent Owner does not oppose Petitioner's Motion for Joinder. Accordingly, should the Board grant Petitioner's Motion, Patent Owner does not believe filing a Patent Owner Preliminary Response would benefit the Board.

Sincerely,

The above-identified case now been paneled. The parties shall indicate by responsive email whether there are any matters they would like to discuss with the Board at this time. If not, in lieu of convening a conference call, the panel asks Patent Owner to indicate via return email whether it waives the filing of a Preliminary Response.
