Case PGR2017-00012
Patent 9,498,419 B2

Before CHRISTOPHER M. KAISER, MICHELLE N. ANKENBRAND,
and DAVID COTTA, *Administrative Patent Judges*.

KAISER, *Administrative Patent Judge*.

Conduct of the Proceeding
37 C.F.R. § 42.5

On June 27, 2018, we entered our original Final Written Decision in this proceeding. Paper 102. On October 30, 2020, following an appeal to the Federal Circuit and the remand of the proceeding to us, we entered a new Final Written Decision on Remand. Paper 116. We entered both of those decisions under seal because they referenced information that the parties filed under seal in this proceeding. The parties have now moved jointly to unseal both the original Final Written Decision and the Final Written Decision on Remand, arguing that any material that once was confidential has since been made public. Paper 117. Given the parties' agreement that there is no longer any non-public information in either decision, we grant the motion to unseal the decisions.

In consideration of the foregoing, it is hereby:

ORDERED that a copy of the original Final Written Decision (Paper 102) shall be made publicly available; and

FURTHER ORDERED that a copy of the Final Written Decision on Remand (Paper 116) shall be made publicly available.
