

DECLARATION

I, Brian P. Lynch, declare as follows:

1. I am one of the representatives for Petitioner Levitations Arts, Inc. and make this Declaration in support of Levitation Art's Petition for Post-Grant Review U.S. Patent No. D799,100.

2. All statements made herein are of my own knowledge and are true, and all statements made on information and belief are believed by me to be true at the time of signing this declaration.

3. The documents of attached Appendix A (the same Exhibit 1005) are true and correct copies of the Facebook.com Event Page titled "Flyte: Mind the gap – Kickstarter launch party" (the "Event Page") that I downloaded from <https://www.facebook.com/events/1567317416880948> on January 19, 2018. The Facebook.com page lists the event a "public" event. Multiple web browsers and screen capture applications were used to capture the Event Page.

**Levitation Arts, Inc.
Exhibit 1008**

**Levitation Arts, Inc. v. Flyte, LLC
PGR2018-00073**

4. Appendix B is a true and correct copy of the Facebook.com Help Center page titled “How do I control who sees or joins my event?” that I downloaded from facebook.com/help/208747122499067?helpref=about_content on May 29, 2018. Appendix B states “Note: Once you create an event, you won’t be able to change the event’s privacy settings.”

5. Appendix C is a true and accurate May 30, 2018 web capture of <https://www.facebook.com/events/1567317416880948> listing the 200+ people who were listed as “went” to the Patent Owner’s April 21, 2015 Kickstarter Launch Party, and indicated that 1278 people were invited. The profiles listed on pages 2-10 of Appendix C were of people listed as “went” to the Patent Owner’s party.

6. Since before April 9, 2015, Facebook.com has recorded the revision history of posts in event pages. Appendix D (the same as Exhibit 1007) is a true and correct copy of a Facebook.com event page for an October 27, 2013 event titled “October Brew Day” that I downloaded from <https://www.facebook.com/events/162544693954181> on July 1, 2018. Dr. Swihart’s second post of the event does not include a “view edit history” tab.

7. Appendix E is a true and correct copy of a Facebook.com event page for an October 27, 2013 event titled “October Brew Day” that I downloaded from <https://www.facebook.com/events/162544693954181> on July 1, 2018. Dr. Swihart’s first post of the event does include a “view edit history” tab.

8. Appendix F is a true and correct copy of a Facebook.com event page for an October 27, 2013 event titled “October Brew Day” that I downloaded from <https://www.facebook.com/events/162544693954181> on July 1, 2018 showing the revision history of Dr. Swihart’s first post.

9. Appendix G is a true and correct copy of a Facebook.com event page that I downloaded from <https://www.facebook.com/events/308073943065466> on July 1, 2018. Appendix G shows that Facebook.com records changes in images.

10. Daniel Mascarenhas’ April 9, 2015 posting on the Event Page did not include a “View Edit History” tab, indicating that neither the text of his post nor the image of the post had been edited since it was first posted on April 9, 2015.

11. Appendix H (the same as Exhibit 1006) is a true and correct copy of Pau Mallol’s Facebook.com page (<https://www.facebook.com/pau.lafleur>) and his

April 13, 2015 post advertising the Event Page as captured on January 19, 2018. The link below the image of the levitating light bulb and base on Pau Mallol's Facebook.com page hyperlinked to the Event Page.

11. Appendix I is a true and correct print off from Google.com's May 18th, 2018 cache of the Event Page (<https://www.facebook.com/events/1567317416880948>). Based on personal knowledge, Google.com's cache of the Event Page is true and accurate representation of the Event Page on or around May 18th 2018. The Event Page had been substantially unchanged since at least January 19, 2018.

12. On Friday May 25, 2018, I contacted four people who were listed as having gone to the Patent Owner's Kickstarter launch party on the Event Page. The four people contacted were listed as either currently living in the United States or from the United States. Attached as Appendix J is a true and accurate recording of the communications to these four people. May 25, 2018 was the first time I contacted attendees of the Patent Owner's Kickstarter launch party regarding the public availability of the Event Page.

13. Just four days later, on Tuesday May 29, 2018, I again reviewed the Event Page and found that it had been scrubbed of Daniel Mascarenhas' April 9, 2015

post, Daniel Mascarenhas' April 13, 2015 post, Simon Morris' April 21, 2015 post, and the Event Page's header picture. Daniel Mascarenhas is listed as a host on the Event Page. A true and accurate copy of the scrubbed Event Page as recorded on May 29, 2018 is shown in Appendix K.

14. Attached as Appendix L is a true and accurate copy of the Patent Owner's "About" webpage (<https://flyte.se/pages/about>) as downloaded on July 1, 2018. Simon Morris is listed as Founder/CEO of the Patent Owner, and Daniel Mascarenhas is listed as Co-Founder/CMO.

9. I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct.

Date: **July 3, 2018**

Brian Lynch
Registration No. 58,794

Post-Grant Review of U.S. Patent No. D799,100

Exhibit 1008

Appendix A

Facebook interface showing an event page for "Flyte: Mind the gap - Kickstarter launch party". The event is scheduled for Tuesday, April 21, 2015, at 6 PM UTC+02 in Södra Teatern, Stockholm, Sweden. The event is sponsored by Grolsch.

Details

Wanna get high? Edison will and so can you. We are launching a Kickstarter.

Yep, a floating lightbulb. Its called Flyte and it levitates with magnets and is powered through the air via induction.

So come and join the party and celebrate art, innovation and little magic.

The unveiling takes place at 6pm at Södra Teatern and the launch is global.

Free entrance!

How do I control who sees or joins my event?

Computer Help [Mobile Help](#) [Share Article](#)

When creating an event, the host can choose between the following privacy settings:

- **Private Event:** Visible only to the people who are invited. You can choose to allow guests to invite their friends. People who are invited can view the event description, photos, Wall posts and videos.
- **Public Event:** Visible to anyone on or off Facebook. Anyone can see things like the event description, photos, event discussion and videos.

Note: Once you create an event, you won't be able to change the event's privacy settings.

RECENT ACTIVITY

Linda Swihart
October 10, 2013 · 📷

If you want to set up here and brew there is room. Just tell me so I can make sure of the water/hose connections. This is great motivation to get the garage all tidied up so we can be in there if there is a reason to be (wind or rain...).

Linda Swihart

October 10, 2013 · 🌐

As with pretty much every casual social event, you have to accept if you wish, cancel without notice, or show up a minute and then just show up, or don't..

Bad of me to encourage people in their hesitancy and indecisiveness, waiting to see what the next offer is, or a better offer.... but oh well. Hope to see a few of you people, well I hope some of them bring food and beer too. 😊

Post-Grant Review of U.S. Patent No. D799,100

Exhibit 1008

Appendix F

The screenshot shows a Facebook interface for an event titled "October Brew Day". A modal window titled "Edit History" is open, displaying two versions of a post by Linda Swihart. The first version, dated October 10, 2013 at 9:41 AM, contains the following text:

As with pretty much every casual social event I have ever or ever will host, accept if you wish, cancel without notice, or don't decide until the past minute and then just who up or don't..

Bad of me to encourage people and the hesitancy to commit, the trend of indecisiveness, waiting to see what the weather will be like, hoping for a better offer.... but oh well. Hope to see a few people and if there are a lot of people, well I hope some of them bring food and beer! I'll bring some food and beer too. :-)

The second version, dated October 10, 2013 at 9:46 AM, contains the following text:

As with pretty much every casual social event I have ever or ever will host, accept if you wish, cancel without notice, or don't decide until the past minute and then just show up, or don't..

Bad of me to encourage people in their hesitancy to commit, the trend of indecisiveness, waiting to see what the weather will be like, hoping for a better o...

At the bottom of the modal, it states "This is visible to anyone who can see this post." and has a "Close" button.

The background shows the event page with a "Create Event" button and a list of contacts on the right side.

Post-Grant Review of U.S. Patent No. D799,100

Exhibit 1008

Appendix G

The screenshot shows a Facebook event page for '600 Dubany St, Alexandria, Virginia 22314'. The page is partially obscured by a white 'Edit History' modal window. The modal lists three edit actions by 'Brian Lynch':

- 3 minutes ago:** This post does not have an image.
- 2 minutes ago:** This post now has an image. Added 1 media to this post. (Image placeholder)
- about a minute ago:** This post now has a different image. Removed 1 media from this post. Added 1 media to this post. (Image of oranges)

The background shows the event's 'About' section with a 'Write Post' button and a 'RECENT ACTIVITY' section. The right sidebar contains 'CONTACT PAGES' and 'CONTACTS'.

Details

Wanna get high? Edison will and so can you. We are launching a Kickstarter.

Yep, a floating lightbulb. Its called Flyte and it levitates with magnets and is powered through the air via induction.

So come and join the party and celebrate art, innovation and little magic.

The unveling takes place at 6pm at Södra Teatern and the launch is global.

Free entrance!

MAY 25TH, 2:09PM

Hello, I am working on a legal project related to Flyte's levitating light bulb, and one of the issues deals with Flyte's Tuesday April 21, 2015 Kickstarter party at the Södra Teatern in Stockholm.
(<https://www.facebook.com/events/1567317416880948/>).

I am looking for people who saw Flyte's event page for the party on or before Saturday April 18, 2015 and are willing to certify that they saw it on or before that date. Based on Facebook's records, you are listed as having attended this party. If you saw Flyte's event page on or before Saturday April 18, 2015 (even if you didn't actually go to the party) and would be willing to participate by signing a declaration certifying that you saw the even page on or before Saturday April 18, 2015, please let me know via Facebook or email at blynch@nir-

About

[? Help](#)

We are a small team of creatives, engineers, designers and artists who met in Sweden. Our goal is to create intelligent and inspiring products with the absolute WOW factor.

With a background in branding, communication and product design, Flyte creates products and experiences that captivate the imagination combining vintage design with innovative techniques.

Simon Morris - Founder / CEO

AKA "Magneto"

Simon plays with sound, matter and energy and their relationships with gravity to absolute wow affect. Projects such as Musique, Concrete (an interactive musical skateboard), Nike Air Max 1 Reinvented (a magnetically levitating Nike sneaker) and Invitation au Voyage (a magnetically hovering skateboard) are great examples of his

game. In short Simon has turned floating things in space into a beautiful profession. Simon is

game. In short, Simon has turned floating things in space into a beautiful profession. Simon is the inventor of Flyte

Daniel Mascarenhas - Co-Founder / CMO

Daniel is a passionate individual that loves to create connected experiences by merging digital technology & physical products. Fast and dirty agile prototyping and testing an idea fast for validation. Daniel worked in the development of a number of products for big companies and also created award-winning work for small brands and self-initiated projects.

Chris Higham - Co-Founder / CPO

Professional cinematographer / product designer, Chris wants to be an astronaut when he grows up. Roaming in space is in the blood. Dig into the roots of Higham's family tree and you'll find family member and famous astronomer Fritz Zwicky; renowned for his insane and spectacular theories like Supernova, Gravitational Lenses and Dark Matter.

Alexander Rotkopf - Sales Manager

Creative multitasker with love for innovation and efficient solutions. Alexander believes in honesty, respect and the power of humor. With a background in Hospitality

power of human. With a background in Hospitality Management and Digital Business Development, Alexander is a service-minded tech enthusiast with focus on the “what” and the “how”. Impressed by the present, excited about the future and fascinated by the journey.

Inside our Family Culture

We believe in inspiring people and getting inspired. We believe in creating stories and hearing them, imagining the impossible and make it real. We like traveling. We like discovery. We like play.

Kickstarter Flyte - First backer Delivery

Matt, a maker from Amsterdam was the first backer who pushed the green button during our launch on April 21st . As a thank you, we phoned Matt and told him we'll be arriving at his front door with a small surprise.

Prototyping & getting inspired

It is in our company culture to take inspirational trips to places where we work isolated from a fast-paced life. Our last trip was in Bali planning and developing new prototypes. Here is a sneak peek into our journey!
