Request for Oral Argument

Pursuant to the Board's November 20, 2019 Scheduling Order (Paper 20), Petitioner respectfully requests oral argument, currently scheduled for September 2, 2020.

Under 37 C.F.R. § 42.70, and without intending to waive any issue not specifically identified, Petitioner specifies the following issues to be argued:

1. Whether claims 1-13 are unpatentable over the asserted art;
2. Any issues specified by Patent Owner in its Request for Oral Argument;
3. Any other issues the Board deems necessary for issuing a final written decision (e.g., any motion to exclude evidence).

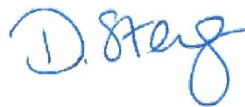

Petitioner also requests that each party be afforded one hour, which would include any rebuttal time, in which to present its arguments.

Request for Oral Argument

If the Board schedules the hearing for a date prior to that on which the Patent Office opens to the public, then Petitioner also requests that the Board provide video set-up and dial-in information so that the parties can participate remotely.
