

EXHIBIT 8

Application of U.S. Patent No. 10,846,031 to the Accused Practices*

* The term “Accused Practices” refers to Roku’s, and end users’, practices with respect to the Accused Products, as shown herein. The term “Accused Products” refers to Roku’s Express, Express+, Premiere, Premiere+, Streaming Stick, Streaming Stick+, Ultra, Ultra LT, Streambar, Streambar Pro, and Roku TV products, including all TVs sold with the Roku TV operating system, as well as all other products used, sold, offered for sale and/or imported by Roku (as defined in the Complaint) or one of Roku’s subsidiaries, that have the features shown in this chart, or substantially similar features.

Application of U.S. Patent No. 10,846,031 to the Accused Practices

34. A method for wirelessly managing an output system using a mobile information apparatus,

Roku has, and continues to, practice a method for wirelessly managing an output system (Accused Product) using a mobile information apparatus (e.g., Android/iOS device, etc.). In addition, Roku has, and continues to, induce end users of the Accused Products to practice the claimed method.

“Roku Streaming Players”

"Roku Smart Soundbar User Manual

Why do I need to create a Roku® account?

Before you can start streaming, channels must be downloaded and installed on your Roku SmartSoundbar. You'll need a Roku account to access the Roku Channel Store, manage your subscriptions, view your purchase history, and add a payment method.

Using voice commands

Press and hold the voice button* and say things like:

“Play classic rock.”

“Set volume to 30.”

“Launch The Roku Channel.”

***Requires a Roku voice compatible remote or Roku mobile app.**

Roku mobile app

“The free Roku mobile app makes it easy and fun to control your Roku player and Roku TV™.

Use the Roku mobile app to:

- ***Control your Roku device as another remote***
- Stream hit movies, TV shows and more on the go with The Roku Channel
- Enjoy private listening* with headphones
- ***Use your voice or keyboard to search for movies, shows, actors, and directors***
- Cast videos, photos, and music to your TV
- Add and launch channels on your Roku device
- ***Enter text on your Roku device easier with your keyboard”***

“Use the free Roku® mobile app to:

- ***Control your Roku devices with a convenient remote***
- ***Use your voice or keyboard to quickly search for entertainment***
- Enjoy private listening with headphones
- Stream free movies, live TV, and more on the go with The Roku Channel
- Cast media files from your phone, like videos and photos, to your TV
- Add and launch channels on your Roku devices
- Enter text on your Roku device easier with your mobile keyboard

You must connect your phone or tablet to the same wireless network as your Roku device to use certain features of the mobile app. Some features require a compatible Roku device and may require logging into your Roku account.”

Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

Real-Time Litigation Alerts

Keep your litigation team up-to-date with **real-time alerts** and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

Advanced Docket Research

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

Analytics At Your Fingertips

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

LAW FIRMS

Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

FINANCIAL INSTITUTIONS

Litigation and bankruptcy checks for companies and debtors.

E-DISCOVERY AND LEGAL VENDORS

Sync your system to PACER to automate legal marketing.
