[EXTERNAL]

Matt,

We are narrowing the asserted claims to 1, 65, 74, 77, 78, 86, 168, and 171.

Best regards,
Derek

Derek,

Per the parties' agreed-upon schedule for Case 2, Jenam was supposed to have narrowed its asserted claims to 8 yesterday. However, we did not receive any claim narrowing from you. Please identify Jenam's 8 asserted claims as early as possible today. Any further delay will prejudice Google's ability to prepare its invalidity contentions by the agreed upon date.

Regards,
Matt
