## I. Introduction

Pursuant to 28 U.S.C. Section 455(a), Petitioner respectfully requests that CHIEF JUSTICE ROBERTS, JUSTICE KENNEDY, JUSTICE THOMAS, JUSTICE GINSBURG, JUSTICE BREYER, JUSTICE ALITO, JUSTICE SOTOMAYOR, JUSTICE KAGAN, JUSTICE GORSUCH, AND ALL CLERKS ASSISTING AFORE LISTED JUSTICES disqualify from these proceedings, due to facts strongly suggesting personal bias in favor of the Defendants, or in the alternative, affirm and/or evidence their impartiality.

Petitioner comes before this Honorable Court as a friend of the court, and humble patriot seeking to preserve the republican principles upon which our country was founded. Petitioner has repeatedly stated throughout proceedings that he wholeheartedly believes in our system of justice. Though this motion, Petitioner merely seeks to ensure fair and impartial proceedings.

In light of recent events throughout the country, this Court should recognize the imperative of exercising this Court's supervisory power in this case to protect constitutionally protected rights. With each passing day, the need protect constitutionally protected rights becomes more apparent.

Judges throughout the country are losing control of their courtrooms. Recently a sixteen-year-old boy was shot and killed by a court officer during proceedings. Whether or not that court officer's actions were justified is

Just a few months prior, the father of a litigant had a shoot out with a judge and court officer on the steps of a courthouse near Chicago. Judges now carry firearms for self-protection.

Whatever the personal political opinion of the Justices of this Court, it must be recognized that THE PEOPLE have risen up against their government and elected a President from outside the political establishment. Clearly, THE PEOPLE are demanding change and a return the republican principles upon which our country was founded.

The people of California are in open rebellion against their government and seek to throw off a “tyrannical” government that refuses to adhere to state and federal constitutions. In related case filed concurrently (Gentry v. TN Bd. Judicial Conduct, et al), Petitioner seeks reform of the State of Tennessee due to the fact that the state government now subjects its people to despotism.

Social media groups have formed with memberships including tens of thousands of people from throughout the country who have suffered severe rights violations, all complaining of corruption in state and federal courts.

The facts of this case are not disputed. The Respondent and state court judge openly conspired, to perpetrate federal crimes and violate constitutionally protected rights. In related case, (for which consolidation is
