Opposition No. 91221988

Snapchat, Inc.

v.

ParksByNature Network LLC

By the Trademark Trial and Appeal Board:

On May 21, 2015, Applicant filed an amended drawing in the USPTO file for involved application Serial No. 86206363. Accordingly, the requirement in the Board's July 1, 2015 order that Applicant file an amended drawing is hereby vacated.

Rather, inasmuch as the proposed amended drawing does not constitute a material alteration of the mark sought to be registered, the proposed amendment is accepted and entered. In view of such entry, the opposition is dismissed without prejudice in accordance with the stipulation that the parties filed on May 26, 2015.
