NOTICE OF OPPOSITION TO APPLICATION SERIAL NO. 88/906,720

TO THE COMMISSIONER OF PATENTS AND TRADEMARKS:

Applicant, Unlimited Office Solutions, LLC, DBA Green Technology Services (“Applicant”), is seeking to obtain registration of VOIPVANTAGE as a service mark for use in connection with “Voice over internet protocol (voip) services; internet protocol (ip) communication services, namely, voice over internet protocol (voip) peer-to-peer communications and instant messaging services over a global computer network” in International Class 38. Application Serial No. 88/906,720 (the “Application”) was published in the Official Gazette on September 22, 2020. Appropriate extensions of time to submit this Notice of Opposition were timely filed with the Board. Opposer, Frontier Communications Corporation (“Opposer” or “Frontier”) believes it would be damaged by the registration that Applicant seeks and, through its authorized attorneys, hereby opposes registration.

The grounds for this opposition are as follows:

1. Opposer, Frontier Communications Corporation, is a full-service telecommunications provider and the sixth largest local exchange telephone company in the

country. Under the mark VANTAGE, the company offers a wide array of telecommunications goods and services, including internet, voice, and television products and services to both business and residential customers, in both wholesale and retail markets.

2. Opposer's VANTAGE mark is the subject of numerous U.S. trademark registrations in International Classes 9, 38, 41 and 42. Specifically, Opposer owns the following registrations:

Reg. No. 5362335 (VANTAGE for "Digital media streaming devices; computer software for streaming audio, video and digital media content via the Internet and to computers and mobile devices; software for use in electronic transmission and streaming of digital media content for others via computers, tablets, mobile phones, television, wireless communication devices, and optical communications networks; cable television set-top boxes and modems; digital video recorders (DVRs) remote controls for televisions"); filed March 30, 2016; registered December 26, 2017; date of first use at least as early as February 3, 2016;

Reg. No. 5253791 (VANTAGE for "Entertainment services, namely, providing continuing television programs, motion pictures, non-downloadable videos, and previews relating to each of the foregoing, all delivered online by means of the Internet and featuring current events news and information, entertainment information, sports, comedy, drama, music, music videos, science fiction, documentary, talk and interview, food and leisure, health, horror, technology, travel, learning, home and garden, reality-based television programs, and game shows; providing an interactive website featuring audio-visual content in the fields of current events news and information, entertainment information, sports, comedy, drama, music, music videos, science fiction, documentary, talk and interview, food and leisure, health, horror, technology, travel, learning, home and garden, reality-based television programs, and game shows; providing entertainment information by means of the Internet, namely, information about motion picture, television, cable, and satellite media programming in the nature of listings and schedules; providing online entertainment information, namely, information about when and where consumers may view motion pictures and television, cable, and satellite media programs; providing an online interactive resource guide featuring information, news, and commentary on the subject of motion pictures, television programs, and videos; on-line library services, namely, providing electronic library services which feature television programs, motion pictures, videos, and audio-visual media content of others in the fields of news and information, business, entertainment, sports, comedy, drama, music, music videos, science fiction, documentary, talk and interview, food and leisure, health, horror and thriller, technology, travel, learning, home and garden, reality-based programming, and game shows via an on-line computer network"); filed March 30, 2016; registered August 1, 2017; date of first use at least as early as February 3, 2016;

Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

Real-Time Litigation Alerts

Keep your litigation team up-to-date with **real-time alerts** and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

Advanced Docket Research

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

Analytics At Your Fingertips

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

LAW FIRMS

Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

FINANCIAL INSTITUTIONS

Litigation and bankruptcy checks for companies and debtors.

E-DISCOVERY AND LEGAL VENDORS

Sync your system to PACER to automate legal marketing.
