On December 5, 2012, respondent filed consented amendments to its Registration Nos. 3542705 and 3542706, the involved registrations in the above-captioned proceedings. The amendments comply with the procedural requirements of Trademark Rule 2.173 and are clarifying in nature. Because petitioner consents thereto, the amendments are approved. See Trademark Rule 2.133(a). The amendment will be forwarded to the Post Registration Branch for appropriate action in accordance with Trademark Act Section 7(e), 15 U.S.C. Section 1057(e).
