ORDER

Before the Court is the Corrected Joint Motion for Leave to Serve Supplemental Expert Reports (the “Motion”) filed by Plaintiff Touchstream Technologies, Inc. (“Plaintiff”) and Defendants Charter Communications, Inc., Charter Communications Operating, LLC, Spectrum Management Holding Company, LLC, Time Warner Cable Enterprises, LLC, Spectrum Gulf Coast, LLC, Charter Communications, LLC (collectively, “Defendants” and with Plaintiff, the “Parties”). (Dkt. No. 354.) In the Motion, the Parties argue that good cause exists to serve supplemental damages expert reports to provide accurate damages calculations in view of the Court’s pretrial rulings. (*Id.* at 3.) The Parties further argue that good cause exists for the Court to grant Defendants leave to replace PTX-044, which is an interrogatory response, with a recent supplemental interrogatory response. (*Id.* at 4.) Finally, the Parties argue that good cause exists for the Court to grant Plaintiff leave to supplement its technical expert report in view of the supplemental interrogatory response. (*Id.*)

Having considered the Motion, noting its joint nature, and finding good cause, the Court finds that it should be and hereby is **GRANTED**. Accordingly, it is **ORDERED** that the Parties

have leave to serve supplemental expert reports and for Plaintiff to amend its exhibit list to replace PTX-044.

So ORDERED and SIGNED this 27th day of February, 2025.
