EXHIBIT A – FINAL CLAIMS REGISTER

NOTES:

- The following ledger lists each approved claim by name, claim amount, and address to which any distribution would be sent.
- The addresses reflect any change of address requests made in writing to the Creditors Trustee.
- Where an IRA custodian is referenced, payment will be made to the IRA custodian. Where a claim is marked with an asterisk (*), such claim is presently subject to disallowance for lack of a tax certificate or other evidence of a withholding exemption, and distributions will not be made absent the submission of a tax certificate, as those claims will be expunged pursuant to the prior orders of the Court.
- Where a claim is marked with a pound sign (#), such claim is the subject of a pending adversary proceeding, and such claim will be treated in accordance with the resolution such adversary proceeding.
- De minimis distributions will be withheld and reallocated as provided in the section 10.06 of the Plan.

Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

Real-Time Litigation Alerts

Keep your litigation team up-to-date with **real-time alerts** and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

Advanced Docket Research

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

Analytics At Your Fingertips

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

LAW FIRMS

Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

FINANCIAL INSTITUTIONS

Litigation and bankruptcy checks for companies and debtors.

E-DISCOVERY AND LEGAL VENDORS

Sync your system to PACER to automate legal marketing.
