**REQUIREMENTS TO MAINTAIN YOUR FEDERAL
TRADEMARK REGISTRATION**

**WARNING: YOUR REGISTRATION WILL BE CANCELLED IF YOU DO NOT FILE THE
DOCUMENTS BELOW DURING THE SPECIFIED TIME PERIODS.**

Requirements in the First Ten Years*

What and When to File:

- **First Filing Deadline:** You must file a Declaration of Use (or Excusable Nonuse) between the 5th and 6th years after the registration date. See 15 U.S.C. §§1058, 1141k. If the declaration is accepted, the registration will continue in force for the remainder of the ten-year period, calculated from the registration date, unless cancelled by an order of the Commissioner for Trademarks or a federal court.
- **Second Filing Deadline:** You must file a Declaration of Use (or Excusable Nonuse) **and** an Application for Renewal between the 9th and 10th years after the registration date.* See 15 U.S.C. §1059.

Requirements in Successive Ten-Year Periods*

What and When to File:

- You must file a Declaration of Use (or Excusable Nonuse) **and** an Application for Renewal between every 9th and 10th-year period, calculated from the registration date.*

Grace Period Filings*

The above documents will be accepted as timely if filed within six months after the deadlines listed above with the payment of an additional fee.

The United States Patent and Trademark Office (USPTO) will NOT send you any future notice or reminder of these filing requirements.

***ATTENTION MADRID PROTOCOL REGISTRANTS:** The holder of an international registration with an extension of protection to the United States under the Madrid Protocol must timely file the Declarations of Use (or Excusable Nonuse) referenced above directly with the USPTO. The time periods for filing are based on the U.S. registration date (not the international registration date). The deadlines and grace periods for the Declarations of Use (or Excusable Nonuse) are identical to those for nationally issued registrations. See 15 U.S.C. §§1058, 1141k. However, owners of international registrations do not file renewal applications at the USPTO. Instead, the holder must file a renewal of the underlying international registration at the International Bureau of the World Intellectual Property Organization, under Article 7 of the Madrid Protocol, before the expiration of each ten-year term of protection, calculated from the date of the international registration. See 15 U.S.C. §1141j. For more information and renewal forms for the international registration, see <http://www.wipo.int/madrid/en/>.

NOTE: Fees and requirements for maintaining registrations are subject to change. Please check the USPTO website for further information. With the exception of renewal applications for registered extensions of protection, you can file the registration maintenance documents referenced above online at <http://www.uspto.gov>.

WARNING FROM THE USPTO CONCERNING UNOFFICIAL TRADEMARK SOLICITATIONS

Please be aware that private companies not associated with the United States Patent and Trademark Office (USPTO) often use trademark application and registration information from the USPTO's databases to mail or e-mail trademark-related solicitations. These may include offers: (1) for legal services; (2) for trademark monitoring services; (3) to record trademarks with U.S. Customs and Border Protection; and (4) to "register" trademarks in a private registry.

These companies may use names that resemble the USPTO name, including, for example, one or more of the terms "United States," "U.S.," "Trademark," "Patent," "Registration," "Office," or "Agency." Increasingly, some companies attempt to make their solicitations mimic the look of official government documents rather than the look of a typical commercial or legal solicitation by emphasizing official government data like the USPTO application serial number, the registration number, the International Class(es), filing dates, and other information that is publicly available from USPTO records. Many refer to other government agencies and sections of the U.S. Code. Most require "fees" to be paid.

Some applicants and registrants have reported paying fees to these private companies, mistakenly thinking that they were paying required fees to the USPTO. So, be sure to read trademark-related communications carefully before making a decision about whether to respond. **All official correspondence will be from the "United States Patent and Trademark Office" in Alexandria, VA, and if by e-mail, specifically from the domain "@uspto.gov."**

If you receive a trademark-related solicitation that you believe is deceptive, you may file an on-line consumer complaint with the Federal Trade Commission ("FTC"), at www.FTC.gov. Although the FTC does not resolve individual consumer complaints, it may institute, as the nation's consumer protection agency, investigations and prosecutions based on widespread complaints about particular companies or business practices. In addition, the USPTO encourages recipients of deceptive trademark-related solicitations to contact their states' consumer protection authorities. Many, if not all, states have the authority to issue investigative subpoenas and file complaints against companies engaged in deceptive practices directed toward state residents.

For further information about, as well as several examples of, these non-USPTO solicitations, please visit the page on the www.USPTO.gov website entitled "**WARNING: Non-USPTO Solicitations That May Resemble Official USPTO Communications**."
