Hon. Commissioner of
Patents and Trademarks
Washington, D.C. 20231

Sir:

Applicant, STERLING SOFTWARE, INC., is a Delaware corporation, having a principal place of business located at 8080 North Central Expressway, Suite 1140 LB 53, Dallas, Texas 75206-1895.

The above-identified Applicant has adopted and is using the service mark shown in the accompanying drawing for consulting and engineering design services for data processing systems and applications in International Class 42 and requests that said mark be registered in the United States Patent and Trademark Office on the Principal Register established by the Act of July 5, 1946.

The service mark was first used in connection with said services in International Class 42 at least as early as December 1986, and was first used in interstate commerce, which may be regulated by Congress, at least as early as December 1986, and is still in use in interstate commerce.

The service mark is used by printing the mark on proposals, letterheads and advertising materials for said services and five (5) specimens showing the mark as used are presented herewith.
