CIVIL ACTION PROCEEDING(S)	
Civil Action No(s). 11-cv-01846-LHK is/are still pending. The applicant hereby requests that the application be re-suspended.	
COMMENT(S)/REMARK(S)	
In response to the examining attorney's February 23, 2015 suspension inquiry, Applicant Apple Inc. respectfully requests that the application remain suspended. Action was initially stayed pending the resolution of Apple Inc. v. Samsung Electronics Co., Ltd., et al., Case No. 11-cv-01846-LHK (N.D. Cal.), which involves issues related to the protectability of the trade dress of Apple's iPad product. On March 6, 2014, the district court issued a final judgment in that action, from which both parties appealed to the Federal Circuit under docket numbers 2014-1335 and 2014-1368. On May 18, 2015, the Federal Circuit issued decisions modifying the district court verdict and remanding the case for further proceedings. On June 17, 2015, Samsung petitioned the Federal Circuit for rehearing en banc in appeal docket number 2014-1335, but the petition was denied on August 13, 2015. On August 19, 2015, Samsung moved the Federal Circuit for a stay of proceedings for the purpose of petitioning the Supreme Court of the United States for a writ of certiorari. As of the date of this filing, the Federal Circuit has not yet issued a decision on Samsung's motion. Accordingly, pursuant to TMEP ? 716.02(d), Applicant respectfully requests that this application remain suspended until proceedings have been fully and finally resolved.
