IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

Applicant:	Scott, Keith
Serial No.:	86376369
Filed:	August 25, 2014
Trademark Atty:	Katherine Chang
Word Mark:	SPANTEEZ FOOT THONG

RESPONSE TO DECEMBER 9, 2014 OFFICE ACTION

This Response is filed in reply to the Office Action e-mailed on December 9, 2014. The Applicant respectfully submits the following response. Applicant submits that the above-identified trademark application for SPANTEEZ FOOT THONG is in condition for allowance to publication.

AMENDMENT OF IDENTIFICATION

The Examining Attorney has requested an amendment to the identification of the class 025 goods.

Applicant amends the identification of the class 025 goods to the following:

Foot covers, namely, thong footwear, socks

DISCLAIMER

The Applicant submits the following disclaimer:

No claim is made to the exclusive right to use “FOOT THONG” apart from the mark as shown.

INFORMATION REQUEST

In response to the Examining Attorney’s request for advertisements, Applicant asserts that it does not currently have promotional materials. However, Applicant provides photographs of the identified goods in Exhibit A.

Additionally, Applicant provides advertisements of similar goods in Exhibit B.

PRIOR PENDING APPLICATION

Applicant submits a preliminary response to the potential section 2(d) refusal stemming from the prior pending application under serial number 85822292 for FOOT THONGS MIRACLE SOCKS.

APPLICANT'S WORD MARK

SPANTEEZ FOOT THONG

Class 025: Foot covers, namely, thong footwear,
socks.

PRIOR PENDING MARK

FOOT THONG MIRACLE SOCKS

Class 025: Socks

APPLICANT'S MARK IS NOT CONFUSINGLY SIMILAR BECAUSE THE COMMON ELEMENTS ARE HIGH DESCRIPTIVE

The USPTO suggests that it will refuse registration of Applicant's mark, SPANTEEZ FOOT THONG, because of the potential registration of the mark FOOT THONG MIRACLE SOCKS. To avoid the potential suspension resulting from application serial number 85822292, Applicant respectfully asserts that Applicant's mark raises no 2(d) issue with the prior pending application because (1) the shared common element is high descriptive, (2) Applicant has disclaimed the common element, and (3) the images found in Exhibit B support the position that the common element is descriptive.

CONCLUSION

Applicant has fully responded to the Office Action. For at least the above reasons, Applicant asserts that Applicant's mark, SPANTEEZ FOOT THONG, is sufficiently distinct from the prior pending mark, so as not to result in consumer confusion. Applicant respectfully submits in good faith that all potential 2(d) refusals, rejections, and/or objections have been overcome and that the applied for mark is in condition for publication.
