OFFICE ACTION

STRICT DEADLINE TO RESPOND TO THIS LETTER

TO AVOID ABANDONMENT OF APPLICANT'S TRADEMARK APPLICATION, THE USPTO MUST RECEIVE APPLICANT'S COMPLETE RESPONSE TO THIS LETTER **WITHIN 6 MONTHS** OF THE ISSUE/MAILING DATE BELOW.

ISSUE/MAILING DATE: 6/8/2015

The referenced application has been reviewed by the assigned trademark examining attorney. Applicant must respond timely and completely to the issue(s) below. 15 U.S.C. §1062(b); 37 C.F.R. §§2.62(a), 2.65(a); TMEP §§711, 718.03.

SECTION 2(d) REFUSAL – LIKELIHOOD OF CONFUSION

Registration of the applied-for mark is refused because of a likelihood of confusion with the marks in U.S. Registration Nos. 1486548, 3126072 and 3129186, owned by the same registrant. Trademark Act Section 2(d), 15 U.S.C. §1052(d); *see* TMEP §§1207.01 *et seq.* See the enclosed

registrations.

In any likelihood of confusion determination, two key considerations are similarity of the marks and similarity or relatedness of the goods and/or services. *Syndicat Des Proprietaires Viticulteurs De Chateauneuf-Du-Pape v. Pasquier DesVignes*, 107 USPQ2d 1930, 1938 (TTAB 2013) (citing *Federated Foods, Inc. v. Fort Howard Paper Co.*, 544 F.2d 1098, 1103, 192 USPQ 24, 29 (C.C.P.A. 1976)); *In re Iolo Techs., LLC*, 95 USPQ2d 1498, 1499 (TTAB 2010); *see* TMEP §1207.01. That is, the marks are compared in their entireties for similarities in appearance, sound, connotation, and commercial impression. *In re Viterra Inc.*, 671 F.3d 1358, 1362, 101 USPQ2d 1905, 1908 (Fed. Cir. 2012) (quoting *In re E. I. du Pont de Nemours & Co.*, 476 F.2d 1357, 1361, 177 USPQ 563, 567 (C.C.P.A. 1973)); TMEP §1207.01(b)-(b)(v). Additionally, the goods and/or services are compared to determine whether they are similar or commercially related or travel in the same trade channels. *See Coach Servs., Inc. v. Triumph Learning LLC*, 668 F.3d 1356, 1369-71, 101 USPQ2d 1713, 1722-23 (Fed. Cir. 2012); *Herbko Int'l, Inc. v. Kappa Books, Inc.*, 308 F.3d 1156, 1165, 64 USPQ2d 1375, 1381 (Fed. Cir. 2002); TMEP §1207.01, (a)(vi).

Comparison of Marks

Marks are compared in their entireties for similarities in appearance, sound, connotation, and commercial impression. *Stone Lion Capital Partners, LP v. Lion Capital LLP*, 746 F.3d 1317, 1321, 110 USPQ2d 1157, 1160 (Fed. Cir. 2014) (quoting *Palm Bay Imps., Inc. v. Veuve Clicquot Ponsardin Maison Fondee En 1772*, 396 F. 3d 1369, 1371, 73 USPQ2d 1689, 1691 (Fed. Cir. 2005)); TMEP §1207.01(b)-(b)(v). "Similarity in any one of these elements may be sufficient to find the marks confusingly similar." *In re Davia*, 110 USPQ2d 1810, 1812 (TTAB 2014) (citing *In re White Swan Ltd.*, 8 USPQ2d 1534, 1535 (TTAB 1988); *In re 1st USA Realty Prof'ls, Inc.* , 84 USPQ2d 1581, 1586 (TTAB 2007)); TMEP §1207.01(b).

Applicant's mark is POKE CHOP AND THE OTHER WHITE MEAT in standard character form.

Registrant's marks are THE OTHER WHITE MEAT in typed, design and standard character form.

Applicant's mark encompasses registrant's mark.

Incorporating the entirety of one mark within another does not obviate the similarity between the compared marks, as in the present case, nor does it overcome a likelihood of confusion under Section 2(d). *See Wella Corp. v. Cal. Concept Corp.*, 558 F.2d 1019, 1022, 194 USPQ 419, 422 (C.C.P.A. 1977) (finding CALIFORNIA CONCEPT and surfer design and CONCEPT confusingly similar); *Coca-Cola Bottling Co. v. Jos. E. Seagram & Sons, Inc.*, 526 F.2d 556, 557, 188 USPQ 105, 106 (C.C.P.A. 1975) (finding BENGAL and BENGAL LANCER and design confusingly similar); *Hunter Indus., Inc. v. Toro Co.*, 110 USPQ2D 1651, 1660-61 (TTAB 2014) (finding PRECISION and PRECISION DISTRIBUTION CONTROL confusingly similar); TMEP §1207.01(b)(iii). In the present case, the marks are identical in part.

Applicant's mark is clearly intended to be a parody of registrant's marks.

The Trademark Manual of Examining Procedure (TMEP) Section 1207.01(b)(x) provides the following guidance on parody marks:

> The fact that a mark is intended to be a parody of another trademark is not, by itself, sufficient to overcome a likelihood of confusion refusal, because "[t]here are confusing parodies and non-confusing parodies." J. Thomas McCarthy, *McCarthy on Trademarks and Unfair Competition*, §31.153 (4th ed. 2010); *see also Nike, Inc. v. Maher*, 100 USPQ2d 1018, 1023 (TTAB 2011) ("[P]arody is not a defense if the marks would otherwise be considered confusingly similar."). "A true parody actually decreases the likelihood of confusion because the effect of the parody is to create a distinction in the viewer's mind between the actual product and the joke." *Mutual of Omaha Ins. Co. v. Novak*, 648 F. Supp. 905, 910, 231 USPQ 963, 965 (D. Neb. 1986), aff'd, 836 F.2d 397, 5 USPQ2d 1314 (8th Cir. 1987). Thus, "[w]hile a parody must call to mind the actual product to be successful, the same success also necessarily distinguishes the parody from the actual product." *Id.*
>
> Cases involving a discussion of parody include the following: *Research in Motion Ltd. v. Defining Presence Mktg. Grp., Inc.*, 102 USPQ2d 1187, 1192 (TTAB 2012) (sustaining oppositions to applications for the mark CRACKBERRY, for a variety of online computer services and clothing items, on the bases of a likelihood of confusion and likelihood of dilution by blurring with the mark BLACKBERRY, for handheld devices, including smartphones, and related goods and services, noting that "likelihood of confusion will usually trump any First Amendment concerns"); *Starbucks U.S. Brands, LLC v. Ruben*, 78 USPQ2d 1741 (TTAB 2006) (holding contemporaneous use of applicant's mark, LESSBUCKS COFFEE, and opposer's marks, STARBUCKS and STARBUCKS COFFEE, for identical goods and services, likely to cause confusion, noting that "parody is unavailing to applicant as an outright defense and, further, does not serve to distinguish the marks"); *Columbia Pictures Indus., Inc. v. Miller*, 211 USPQ 816, 820 (TTAB 1981) (holding CLOTHES ENCOUNTERS for clothing, and CLOSE ENCOUNTERS OF THE THIRD KIND for t-shirts, likely to cause confusion, noting that the "right of the public to use words in the English language in a humorous and parodic manner does not extend to use of such words as trademarks if such use conflicts with the prior use and/or registration of the substantially same mark by another"); *see also Jordache Enters. v. Hogg Wyld Ltd.*, 828 F.2d 1482, 4 USPQ2d 1216, 1220, 1222 (10th Cir. 1987) (noting that "a parody of an existing trademark can cause a likelihood of confusion," but affirming district court's holding that contemporaneous use of LARDASHE and JORDACHE, both for jeans, is not likely to cause confusion).

In this case, while applicant intended the mark to be a parody of registrant's mark, the entire incorporation of registrant's mark creates an impression that registrant may have licensed or approved of applicant's use of its mark.

Comparison of Goods and Services

Applicant's services are entertainment services in the nature of live musical performances.

Registrant's services are association services, namely, promoting the interests of members of the pork industry (RN 1486548); promoting the interests of members of the pork industry, and providing an internet web site featuring information about cooking and accompanying recipes (RN 3126072); and cookbooks, brochures about pork, pens, pencils, shirts, t-shirts, aprons and hats, and providing an internet web site featuring food preparation/cooking information regarding pork and accompanying recipes (RN 3129186).

The goods and/or services of the parties need not be identical or even competitive to find a likelihood of confusion. *See On-line Careline Inc. v. Am. Online Inc.*, 229 F.3d 1080, 1086, 56 USPQ2d 1471, 1475 (Fed. Cir. 2000); *Recot, Inc. v. Becton*, 214 F.3d 1322, 1329, 54 USPQ2d 1894, 1898 (Fed. Cir. 2000) ("[E]ven if the goods in question are different from, and thus not related to, one another in kind, the same goods can be related in the mind of the consuming public as to the origin of the goods."); TMEP §1207.01(a)(i).

The respective goods and/or services need only be "related in some manner and/or if the circumstances surrounding their marketing [be] such that they could give rise to the mistaken belief that [the goods and/or services] emanate from the same source." *Coach Servs., Inc. v. Triumph Learning LLC*, 668 F.3d 1356, 1369, 101 USPQ2d 1713, 1722 (Fed. Cir. 2012) (quoting *7-Eleven Inc. v. Wechsler*, 83 USPQ2d 1715, 1724 (TTAB 2007)); TMEP §1207.01(a)(i).

Where the marks of the respective parties are identical or virtually identical, the relationship between the relevant goods and/or services need not be as close to support a finding of likelihood of confusion. *See In re Shell Oil Co.*, 992 F.2d 1204, 1207, 26 USPQ2d 1687, 1689 (Fed. Cir. 1993); *In re Davey Prods. Pty Ltd.*, 92 USPQ2d 1198, 1202 (TTAB 2009); *In re Thor Tech, Inc.*, 90 USPQ2d 1634, 1636 (TTAB 2009); TMEP §1207.01(a).

While the goods and services at issue differ, the closeness of applicant's and registrant's marks offsets this difference. Applicant's mark is clearly a reference to registrant's mark: because applicant's mark incorporates the whole of registrant's literal mark, consumers are likely to assume a relationship between applicant and registrant, with registrant approving, controlling and licensing the use of its mark by applicant.

The trademark examining attorney has attached evidence from the USPTO's X-Search database consisting of a number of third-party marks registered for use in connection with the same or similar goods and/or services as those of both applicant and registrant in this case. This evidence shows that the goods and/or services listed therein, namely live music/musical performances and promotion of the interests of various groups, are of a kind that may emanate from a single source under a single mark. *See In re Anderson*, 101 USPQ2d 1912, 1919 (TTAB 2012); *In re Albert Trostel & Sons Co.*, 29 USPQ2d 1783, 1785-86 (TTAB 1993); *In re Mucky Duck Mustard Co.*, 6 USPQ2d 1467, 1470 n.6 (TTAB 1988); TMEP §1207.01(d)(iii).

Although applicant's mark has been refused registration, applicant may respond to the refusal(s) by submitting evidence and arguments in support of registration.

ASSISTANCE

If applicant has questions regarding this Office action, please telephone or e-mail the assigned trademark examining attorney. All relevant e-mail communications will be placed in the official application record; however, an e-mail communication will not be accepted as a response to this Office action and will not extend the deadline for filing a proper response. *See* 37 C.F.R. §§2.62(c), 2.191; TMEP §§304.01-.02, 709.04-.05. Further, although the trademark examining attorney may provide additional explanation pertaining to the refusal(s) and/or requirement(s) in this Office action, the trademark examining attorney may not provide legal advice or statements about applicant's rights. *See* TMEP §§705.02, 709.06.

GENERAL GUIDELINES FOR RESPONSE

For this application to proceed toward registration, applicant must explicitly address each refusal and/or requirement raised in this Office action. If the action includes a refusal, applicant may provide arguments and/or evidence as to why the refusal should be withdrawn and the mark should register. Applicant may also have other options for responding to a refusal and should consider such options carefully. To respond to requirements and certain refusal response options, applicant should set forth in writing the required changes or statements.

If applicant does not respond to this Office action within six months of the issue/mailing date, or responds by expressly abandoning the application, the application process will end, the trademark will fail to register, and the application fee will not be refunded. *See* 15 U.S.C. §1062(b); 37 C.F.R. §§2.65(a), 2.68(a), 2.209(a); TMEP §§405.04, 718.01, 718.02. Where the application has been abandoned for failure to

respond to an Office action, applicant's only option would be to file a timely petition to revive the application, which, if granted, would allow the application to return to active status. *See* 37 C.F.R. §2.66; TMEP §1714. There is a $100 fee for such petitions. *See* 37 C.F.R. §§2.6, 2.66(b)(1).

TEAS PLUS OR TEAS REDUCED FEE (TEAS RF) APPLICANTS – TO MAINTAIN LOWER FEE, ADDITIONAL REQUIREMENTS MUST BE MET, INCLUDING SUBMITTING DOCUMENTS ONLINE: Applicants who filed their application online using the lower-fee TEAS Plus or TEAS RF application form must (1) file certain documents online using TEAS, including responses to Office actions (see TMEP §§819.02(b), 820.02(b) for a complete list of these documents); (2) maintain a valid e-mail correspondence address; and (3) agree to receive correspondence from the USPTO by e-mail throughout the prosecution of the application. *See* 37 C.F.R. §§2.22(b), 2.23(b); TMEP §§819, 820. TEAS Plus or TEAS RF applicants who do not meet these requirements must submit an additional processing fee of $50 per international class of goods and/or services. 37 C.F.R. §§2.6(a)(1)(v), 2.22(c), 2.23(c); TMEP §§819.04, 820.04. However, in certain situations, TEAS Plus or TEAS RF applicants may respond to an Office action by authorizing an examiner's amendment by telephone without incurring this additional fee.

jeri.fickes@uspto.gov

TO RESPOND TO THIS LETTER: Go to http://www.uspto.gov/trademarks/teas/response_forms.jsp. Please wait 48-72 hours from the issue/mailing date before using the Trademark Electronic Application System (TEAS), to allow for necessary system updates of the application. For *technical* assistance with online forms, e-mail TEAS@uspto.gov. For questions about the Office action itself, please contact the assigned trademark examining attorney. **E-mail communications will not be accepted as responses to Office actions; therefore, do not respond to this Office action by e-mail.**

All informal e-mail communications relevant to this application will be placed in the official application record.

WHO MUST SIGN THE RESPONSE: It must be personally signed by an individual applicant or someone with legal authority to bind an applicant (i.e., a corporate officer, a general partner, all joint applicants). If an applicant is represented by an attorney, the attorney must sign the response.

PERIODICALLY CHECK THE STATUS OF THE APPLICATION: To ensure that applicant does not miss crucial deadlines or official notices, check the status of the application every three to four months using the Trademark Status and Document Retrieval (TSDR) system at http://tsdr.uspto.gov/. Please keep a copy of the TSDR status screen. If the status shows no change for more than six months, contact the Trademark Assistance Center by e-mail at TrademarkAssistanceCenter@uspto.gov or call 1-800-786-9199. For more information on checking status, see http://www.uspto.gov/trademarks/process/status/.

TO UPDATE CORRESPONDENCE/E-MAIL ADDRESS: Use the TEAS form at http://www.uspto.gov/trademarks/teas/correspondence.jsp.

DOCKET ALARM

Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

Real-Time Litigation Alerts

Keep your litigation team up-to-date with **real-time alerts** and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

Advanced Docket Research

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

Analytics At Your Fingertips

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

LAW FIRMS
Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

FINANCIAL INSTITUTIONS
Litigation and bankruptcy checks for companies and debtors.

E-DISCOVERY AND LEGAL VENDORS
Sync your system to PACER to automate legal marketing.
